PART III.

REPORTS OF PRESIDING ELDERS.

BARTOW DISTRICT.

1. The spiritual condition of our Churches in the Bartow District is fairly good, shown in the everyday conduct of the membership, their attitude toward Church services, and their willingness to coöperate in the Church's larger programs. Some 30 revival services have been held, and 278 have been added on profession of faith.

2. The following 15 charges have paid 100% on benevolences: Arcadia, Bartow, Boca Grande, Bonita Springs, Fort Meade, Myrtle Street, Fort Myers, La Belle, First Church (Lakeland), Dixieland, Limestone, Mulberry, Punta Gorda, Wauchula, and Zolfo Springs. The others have increased their payments considerably over last year's record. Pastors report that there is a better attitude on the part of the people toward the great missionary obligations of the Church.

3. Salaries are paid in full by Alva, Arcadia, Bartow, Boca Grande, Bonita Springs, Bowling Green, Everglades, Fort Meade, Fort Myers, Fort Myers Mission, Homeland and Prospect, La Belle, First Church (Lakeland), Dixieland, Myrtle Street, Mulberry, Nocatee and Fort Oden, Punta Gorda, Wauchula, and Zolfo Springs—20 out of 23 charges. La Belle and City Mission paid 82%; Limestone, 85%; and Kathleen, 95%. The total salaries is an advance over last year's amount, and 12 charges expect to make further increases in 1926.

4. The district is not up in its payments to Superannuate Endowment, but has made some advancement over last year's mark. In that year only 53% of the annual portion was paid; this year, however, we have paid 81% of the annual portion of the five-year quota. The expectation in most places is to finish with full payments for this cause. Total paid this year is \$5,838.

5. Because of growing congregations new buildings are needed at First Church (Lakeland), Fort Myers, East Fort Myers, Bartow, La Belle, and Mulberry. Fort Myers has secured subscriptions amounting to \$95,000, and La Belle \$7,000, for their buildings. Lots for churches are needed: two near La Belle, one at Naples, one south of Kathleen, and two in the northern portion of Lakeland. One important location in Lakeland has been donated by a generous-hearted Methodist citizen. We greatly need more missionary money to enable us to maintain capable preachers to do intensive work in certain small places that are likely to grow in the near future; and we also need to give much more attention to holding revival meetings.

W. P. BUHRMAN, *Presiding Elder.*

GAINESVILLE DISTRICT.

With the spirit of rejoicing, yet not unmixed with a sense of disappointment, we come to the close of this Conference year and make report of the Gainesville District to the Annual Conference. We rejoice that the labors of the Church have been blessed of our Heavenly Father. Revival fires have been kindled and are burning upon our altars. Whole communities have been brought to a better life and a higher conception of life's meaning. Four hundred and twenty-two

members have been received on profession of faith and 322 have been received by certificate and otherwise.

The real disappointment comes when we report the attitude of our people toward the great missionary program of the Church. We are far from being really missionary in spirit, if the record of how the financial obligations have been met on the district indicate the attitude. Only about fifty per cent of the benevolent claims will be paid this year. Though we rejoice at the splendid increase as shown over former years, we will not be satisfied until we can meet every obligation 100 %.

There are, however, some of our congregations which are real missionary in spirit and endeavor. Special mention should be made of Gainesville which, in addition to meeting every assessed obligation, has generously assumed part of the support for the pastor at the University and has donated to the Methodist Foundation a splendid piece of property, well located for their use, which is valued at about seventy-five thousand dollars.

Lake City Church has assumed half support for the pastor of a circuit in Columbia County in addition to meeting all their assessed obligations.

Three charges—Gainesville, Lake City, and Live Oak—will meet all benevolences in full. This is better than last year.

The following charges have paid the salaries in full this year: Alachua, Cedar Keys, Citra, Dixie, Fort White, Gainesville, High Springs, Jasper, Lake City, Live Oak, Mayo, Micanopy, Reddick, Wellborn, White Springs, and Williston—a total of 16.

Brandford has purchased and furnished a comfortable parsonage, and a new charge has been created to be called the Brandford Circuit.

Increased interest in the Superannuate Endowment fund has been manifest during the year, and some of the overdue pledges have been collected. Fifty per cent of the amount now due has been paid, \$7,969.

The unprecedented increase of real estate values within the bounds of the district, together with a good crop year, has encouraged our people to do larger things for the Church, and a program of building new churches and repairing old ones is enlisting the consideration of our people.

Answering this call of increasing liberality on the part of the people, the greatest need of the work which now confronts us in the coming year is a program of evangelism which will grip each congregation and deepen the spiritual life of each individual.

C. H. SUMMERS, *Presiding Elder*.

JACKSONVILLE DISTRICT.

1. *Spiritual Condition*.—Revivals have been held in nearly all the Churches. The total number of additions on profession of faith is 369; by letter and otherwise, 695—making a total of 1,064 additions for the year. Attendance upon the ordinances and means of grace has shown some increase. The general interest in the Church has considerably increased.

2. *The General Attitude toward the Missionary Obligation of the Church*.—A number of our charges are supporting Specials. The Carry-On Campaign early in the year was well taken care of in most of the charges, the results were variable, but in general good. The Centenary has had particular attention in the district this year, and several of our charges have liquidated their accounts. A marked advance is shown in the benevolent collections. Ten charges have paid in full—namely, Anderson, First Church (Jacksonville), Fernandina, King's Road Circuit, Marvin, Ortega, Riverside Park, St. Matthew, Starke and Spring-

field; and the following Churches have paid out: Briceville, Callahan, Eastport, and Dinsmore—89% paid.

3. The following charges have paid salaries in full: Anderson, First Church (Jacksonville), Fernandina, Hendricks Memorial, Marvin, Ortega, Riverside Park, Springfield, King's Road Circuit, Starke, St. John Circuit, Wesley Memorial, and the following Churches: Briceville, Baldwin, Raiford, Dinsmore, Callahan, Lake Butler, Yulee, Eastport, McClenny, Glen St. Mary—98% paid.

4. *The Superannuate Endowment* has been paid in full for the first two years by First Church (Fernandina), Hendricks Memorial, Lake Butler, Riverside Park, Starke, Springfield, St. John Circuit, King's Road Circuit, and by these Churches: Briceville, and Eastport. Several charges have paid out this year, but not the two years, and some Churches have paid out one full year and some on the second year. In all but two charges the account is in fair condition.

5. *A Survey of the Field.*—(1) Good progress has been made in paying off our church and parsonage debts. Hendricks Memorial, Ortega, Wesley Memorial, Lake Butler have finished paying their debts and the first three churches have been dedicated. Considerable improvements have been made on each of these churches. Progress has been made in paying the big debt on First Church, and on the debts of Yulee and Dinsmore new churches, and on the new parsonage at Marvin.

(2) New churches have been built this year at Anderson and at Eastport. The former is a splendid modern plant worth \$25,000 with a debt of about \$9 000. The Eastport church is a good wooden house with modern equipment and furniture, built for us by the Brooks-Scanlon Corporation as a token of its interest in its employees. Fernandina has renovated and repaired its church and now has a beautiful auditorium. But it has acquired a large lot centrally located and plans to build a great modern church in the near future. Some work has been done on McClenny church, but it is yet unfinished and unfurnished. First Church has bought the remainder of its half block and plans to erect on it a modern parsonage in the near future. Dinsmore has a lot for a parsonage and plans to build it next year. Starke has made over its parsonage into a comfortable, well-furnished home. Parsonage improvements and furnishings have been made at Callahan, Hendricks, Marvin, Ortega, Lake Butler, McClenny, Phenix Park, and at Anderson a modern bungalow parsonage with a good lot alongside the church has been acquired this year.

(3) Property has been aquired for future work at Mu ray Hill, Los Gatos, San Jose, and in two other subdivisions of the city. All the territory of the district has been so divided and assigned to some charge that in future we shall cover our entire field. A new Church has been organized and about it a new charge has been formed. The very rapid population and subdivision developments in and about Jacksonville seem to make necessary the relocation of Riverside Park church and the erection of a great modern plant, the erection at Springfield of a modern plant suitable to its field of work, the erection of a great auditorium at First Church, the supplying St. Matthews with a plant for its field and work, the relocation of Brinkley, and the building of a modern church, the relocation and building of a great modern church in South Jacksonville, the building of an adequate plant at Marvin, the relocation of Phoenix Park and a new building, a Sunday school plant at Wesley, and the opening of work with churches and parsonages at Murray Hill, St. John Park, Venitia, Orange Park, San Jose, the Jacksonville Beaches, Norwood, and Westbrook. Our actual needs will require not less than one million dollars.

W. F. DUNKLE, *Presiding Elder.*

LATIN DISTRICT.

The spiritual condition of our whole district is quite wholesome. We preachers have been bound together during the whole year by a covenant of prayer and brotherly love. In addition we have awakened to the very vital work of intensive personal effort with the candidates for Church membership and others, and have experienced gratifying results. Members of the several congregations have joined us in this constant effort to win souls for Jesus Christ, and they, too, have a new and elevated experience and conception of his wondrous love and saving grace. We have had some of the best seasons of spiritual refreshing and manifest presence of the Holy Spirit and his convicting and converting power I have witnessed for a long time. God is, indeed, with us. We leave our charges with a love for our Saviour and his only work and determined to enter upon a new year confiding as never before in his orders and in his power to save the sinner, however vile he be. We have received only 44 on profession of faith.

Every pastor and every charge in the district has made a noble effort this year toward self-support, every one paying in full all benevolences. We raised \$579 for district work; \$213 by Sunday schools for missions, which was applied to salaries of four pastors; and \$787 as new money for missions, \$700 of which was a mission special, the Latin District being its object; \$162 for Christian Education; \$119 for the Superannuates; and \$81 for the Orphanage, making a total of \$1,941.

The greatest need of our district is a more intensive and continuous evangelism, which we are determined to carry on. This next year we shall open one new mission and more intensively work every point now established. We are praying for at least two school plants—one in Key West and one, if not two, in Tampa. If certain properties are disposed of at the figures that seem possible there is a large possibility of this becoming a reality.

Brethren of the Conference, pray for us who are laboring in this large foreign mission field right here in Florida, 50,000 or more souls that know nothing of the Evangel as the power of God unto salvation to every one that believeth.

W. M. MULLIN, *Presiding Elder*.

MIAMI DISTRICT.

We beg leave to submit the following report:

Number of accessions to the Church on profession of faith, 420; number of accessions by certificate of membership, 1,483; total 1,903.

Special mention should be made of revival meetings at Fulford, Fort Lauderdale, Riverside, Miami, and Miami Beach.

New Churches organized, 6; new Sunday schools, 5; new Epworth Leagues, 7; new Woman's Missionary Societies, 7.

All salaries and Conference collections have been paid in full on every charge; a surplus of 33% at Fort Lauderdale and excesses at Jupiter, Miami Beach, and Delray.

Over \$15,000 has been subscribed for new mission money, and \$12,113 reported paid for this year. Educational collections have been more than doubled during the year, \$17,400 having been raised.

The amount raised for all purposes during the year is in excess of \$564,542, which is more than three times the amount raised during 1924.

Almost all of the charges have paid up the Superannuate Endowment Fund to date; amount, \$7,349.

Eleven new church buildings have been erected or are in course of construc-

tion—namely, Hollywood, Holleman Park, Jupiter, Wag Memorial, West Palm Beach, Delray, Boca Ratone, Floral Park, Buena Vista, Fort Pierce, and Miami Beach. Two parsonages have been erected—namely, Holleman Park and Fort Pierce, making 17 new churches and 4 new parsonages erected during the quadrennium. Fifteen pieces of new property have been secured in 1925—namely, 2 on Pine Key, Tavanier, Maticumbia, Coral Gables, Miami Shores, Key West, Trinity, West Palm Beach, South Palm Beach, Jupiter, Hypopuxo, Boca Ratone, Sebastian, and Fort Lauderdale. Thirty-one have been secured during the quadrennium.

A Survey of the Immediate Needs.—A new church at Trinity. This has been projected and will cost \$850,000. New buildings are needed at Coral Gables, Miami Shores, Pompano, Boynton, Riverside (Miami), Tavanier, Riverside Heights (Miami), Biscayne Park, and a Sunday school building at First Church, Key West. Parsonages are needed at Maticumbia and Hollywood.

C. FRED BLACKBURN, *Presiding Elder*.

OCALA DISTRICT.

It gives me great pleasure to bring the greetings of the Ocala District to the Florida Conference. In the presence of this great body I present a report of the year's work. We have had a good year and our increases are far ahead of all the records of previous years.

Spiritual State of the Church.—The spiritual state of the Church is good. Most all of our preachers have held revivals in their Churches. Congregations are good. Prayer services are well attended. We have added to the membership of our Church on profession of faith about 350 and by certificate 615; total, about 965.

Conference Assessments.—Our people generally feel very kindly toward the missionary obligation of the Church. The following pastors and charges have paid all the benevolences in full: J. B. Rooney, Ocala; J. H. Daniel, Leesburg; J. E. Lewis, Coleman; W. C. Rogers, Bushnell; J. W. Blake, Dade City; P. L. Redfearn, Elfers and Odessa; W. R. Howell, New Port Richey; R. H. Barnett, Tarpon Springs; H. E. Partridge, Sutherland; R. F. Hodnett, Clearwater; W. O. Troutman, Dunedin and Clearwater Mission; W. H. Funk, Largo; E. H. Crowson, Seminole; S. W. Walker and C. C. Frazier, St. Petersburg; C. W. Alford, Safety Harbor.

Salaries.—The following charges have paid salaries in full: Ocala, Leesburg, Dunnellon, Brooksville, Coleman, Clearwater, Bushnell, Dade City, Spring Lake, New Port Richey, Elfers and Odessa, Tarpon Springs, Sutherland, Dunedin, Largo, Seminole, Safety Harbor, St. Petersburg and Mission.

Superannuate Endowment.—The following charges have paid their Superannuate Endowment quotas up to date; Ocala, Leesburg, Bushnell, Dade City, Tarpon Springs, Clearwater, Largo, St. Petersburg. The total raised in the district on Superannuate Endowment is \$10,829.10.

Building.—We have built a chapel at Belmont, finished our church at Sutherland and Pasadena, and will finish the church at St. Petersburg the early part of the coming year. We are planning to build churches at Ocklawaha, Lacoochee, Safety Harbor, and a Sunday school building at Clearwater. We are building parsonages at Gulf Port and at New Port Richey. We have finished a parsonage at Elfers, and paid Church debt at Ocala.

Sunday Schools.—The Sunday school is filling a larger place in the work of the Church to-day than ever before. The Sunday school is fast becoming the

Church school. Instead of the school supporting the Church, the Church supports the school. Gradually the Church is awakening to its responsibility for the religious education of the child. Methodism's greatest opportunity is with the child. A larger per cent of our Sunday schools observed Sunday School Day than every before, every charge having observed the day in one or more of its schools.

Epworth League.—The Epworth League has had a most successful year. Many of our young people have enrolled in our summer training schools. Many decisions for life service will have a telling effect on Florida Methodism in the future.

Woman's Missionary Society.—The women of our district have their work well organized and are pushing out and organizing yet other societies. The women of our district, under the able leadership of Mrs. C. C. Clyatt, took both loving cups of the Conference, and we believe that these women of Ocala District, with Mrs. W. O. Lemasters leading them, will hold the cups the coming year.

Salaries for 1926.—The salaries for next year will be over \$7,000 more than for this year. The salaries for the two years I have been on the district have increased more than \$15,000.

According to the Minutes of the Quarterly Conferences there will be reported to this Conference more than \$371,445 raised for all purposes.

Pastors.—I am sorry space will not permit me to give a detailed report of the work of all my pastors. They are all fine men, good preachers, and have rendered most efficient service.

M. H. NORTON, *Presiding Elder.*

ORLANDO DISTRICT.

There were four new Churches organized.

New properties have been acquired for churches and parsonages in North Orlando, Farradale, Southern Pines, Concord Park (all in Orlando), Center Hill, Babson Park, Inter-Ocean City, Tavares, Lake Stearns, First Church (Winter Haven), and Inwood (Winter Haven).

Valuable properties are promised us at Polk City, Waverly, Lake-o'-the-Hills, West Lake Wales, Eagle Lake, Berkeley, Jamaico, De Soto City, and Clewiston. Four churches have been built, at Farradale, North Orlando, Southern Pines (Walker Memorial), and Lake Alfred. Church building begun last year and finished this year at Loughman and Zellwood. Educational building of First Church, Orlando, completed. Splendid church buildings started at St. Johns and Highland Grove (Orlando) and at Haines City. Three parsonages were built at Lake Stearns, Okeechobee, and Pincastle and another completed at Highland Grove. The grand total of added property values, including lands acquired, buildings erected, old buildings improved and furnishings placed in churches and parsonages (but not including any of the natural increase in the values of our previously acquired properties incident to the general rise in realty values in our State at this time), amounts to \$335,718. Of this \$335,718, our District Board of Church Extension, incorporated, has secured to us lands and erected for us buildings to the amount of \$39,250 in value.

All charges paid their pastors in full. Only two failed to pay all their assessments for the benevolences. The following overpaid their assessments for pastor or benevolences or both: Avon Park, Highland Grove, First Church (Orlando), Oviedo and Geneva, Kissimmee, Lake Wales, Oakland and Fairvilla, Lockhart, Okeechobee, Winter Garden, and Winter Haven. The district as a whole more than paid all assessments.

Ten charges have paid their full two-year quota to the Superannuate Endowment Fund. Four charges have more than done this. Amount raised this year for this cause, \$6,072.

Centenary collections have been pushed with some success.

Pledges to Christian education have been given attention with gratifying results in some places.

A district special for missions has been raised amounting to \$15,735.

Salaries paid to pastors this year exceed the salaries of last year by \$6,590, or 16.1%, and already the Churches have pledged increases in salaries for the coming year aggregating \$11,480, or 28%.

Our District Sunday School Board is fully organized and is doing a superb work.

Our Epworth League interests show marked advance.

Our District Board of Lay Activities shows a most creditable record of service for this year.

Our Woman's Missionary Societies register in a fine way.

A number of our Churches have been blessed with gracious revivals. Our Church membership shows a gross increase this year of 1,515, or 20.6%, 502 of this number, or 8.4%, being received on profession of faith.

We plan for thirty-four pastoral charges in our territory next year, an increase of seven over this year's arrangements. We ought to have still more, but lack of funds forbids. To make possible the advance we propose, it has been necessary to enlist two Churches and several big-hearted laymen of the district in the support of several of our missionary pastors next year to the amount of \$4,850.

We should give prompt and special attention to Altamonte, Longwood, Southwest Orlando, Osceola, Kenansville, Bithlo, East Haines City, Howey, Forest City, Polk City, Lake Hamilton, and Clewiston. Many other places not specifically charged to any pastor in next year's plan should be carefully watched and work started in them as fast as conditions and means warrant, such as Bay Lake, Fuller's Crossing, Ginderville, Sorrento, South Clermont, Jamajo, Lago Vista, Osceola City, Inter-Ocean City, Illahaw, Nittaw, Tohopkee, Chuluota, Waverly, Lake-o'-the-Hills, Hesperides, West Lake Wales, West Frostproof, Parkridge, Lakemont, Palmdale, Immokalee, Belglade, Canal Point, St. Lucie, Fort Drum, Fort Bassenger, West Bassenger, Hicoria, and others.

It would be hard to conceive of a situation more challenging and inspiring than ours to a Church of real consecration and Christlike passion for great service.

R. IRA BARNETT, *Presiding Elder*.

PALATKA DISTRICT.

The spiritual condition of the Church on the Palatka District is fairly good. There have been 300 accessions by vows this year and 540 by certificate. This makes a total of 1,325 by vows, and 1,925 by certificate for the four years the district has been organized. Thirty-two revival meetings have been held this year. Most all the Churches are growing in the grace of liberality and in the activities of the Christian life. One item which shows a healthy growth is the fact that in the four years I have served the district the total of salaries to pastors has increased forty-two per cent. Other benevolences have also largely increased.

The missionary spirit is not as enthusiastic as I should like to see it. Many subscribers did not pay in full their pledges to the Centenary fund, and there is

a shortage in the total payments to the regular benevolences. But we have a number of consecrated women organized in missionary societies, the Epworth Leagues are doing well, and the Sunday school work prospers. The following charges have paid in full the assessments for benevolences: Cocoa, De Land, New Smyrna, Sanford, Titusville, and Kingston Church.

Several other charges are nearly out in full. With a few exceptions the Churches have paid up well on salaries. Those paying out to the pastor are as follows: Bunnell, Cocoa, Crescent City, De Land, Green Cove Springs, Hastings, Hawthorne, Kingston, Melrose, Mims, New Smyrna, Palatka, Pierson, Sanford, St. Augustine, Titusville.

Payments to the superannuate cause dropped a little this year, but the Palatka District stood toward the top in percentage paid last year. We have paid this year to that sacred fund, \$3,800.

The Palatka District covers a large territory, reaching into ten counties, with fifty organized churches. Much of the country is thinly settled, and most of the congregations are weak in numbers and financial resources. During the quadrennium churches have been built at the following places: Palatka, Crescent City, Georgetown, Lake Helen, and Lake Mary, also one in course of construction at De Land and one at Pierson. Bunnell and Titusville have added Sunday school rooms. A parsonage has been built at Waldo and one at Mims. Our Church in the district has a healthy growth, but we need more missionary and evangelistic work done each year outside the usual pastoral and lay activities of the Churches.

J. F. BELL, *Presiding Elder*.

TALLAHASSEE DISTRICT.

1. *Spiritual Condition*.—A special effort has been made in every charge and in almost every Church in the district during the year to secure the conversion of the unsaved. The charges having the greatest number of accessions on profession of faith are Carrabelle with 128 and Fenholloway with 46. Total additions on profession of faith, 315. Last year, 310.

2. *Missionary Interests*.—A systematic effort was made to carry out the missionary program of the Church in every charge in the district. In some Churches there was a gratifying response, but in the smaller stations and rural sections there was much indifference toward the missionary work. Some of our pastors have made a thorough canvass of the membership of their Churches in behalf of the benevolent assessments with very meager result. The Woman's Missionary Society raised \$5,025. A very creditable showing, however, has been made on payments to the Centenary this year. The amount paid on Centenary is \$6,000. The following charges paid their benevolent assessments in full: Monticello, Tallahassee, and Quincy.

3. *Salaries*.—Salaries were paid in full by the following charges: Apalachicola, Aucilla, Chattahoochee, Fenholloway, Havana, Madison, East Madison, West Madison, Mount Pleasant, Monticello, Perry, Quincy, Tallahassee, and Waukeenah. Total, 14. Although some charges did not pay out in full, the following Churches in these charges paid the full assessments for salaries: Carrabelle, Sopchoppy, Zion Hill, Greensborough, Union, Miccosoukee, Springfield, Pisgah, Lloyd, Woodville, Crawfordville, Midway, and Jackson's Bluff, making a total of thirteen. A total of 43 Churches paid in full.

4. *Superannuate Endowment*.—The special effort for the Superannuate Endowment has been given its due amount of attention in our district. Each charge has accepted its quota, and the committee has been appointed to look

after this sacred interest of the Church. The special amounts asked by the Conference to be raised for our Conference Superannuates was raised by the Churches in Monticello, Tallahassee, and Quincy. Total amount raised this year on the Endowment Fund, \$2,678. Grand total, \$6,705.

5. *The Needs and Outlook.*—One serious drawback to our work in this district is the constant exodus of our people to South Florida. Some of our most liberal supporters and active workers have been lost to our district in this manner. Our work has never suffered a greater loss from removals than it has during the present year. Many of our Churches in the rural sections are now experiencing a struggle for existence. There are some indications of improvement in the economic and industrial conditions of this section. The natural resources of this section of Florida compare favorably with those in other parts of the State, and in the near future the tide of population will turn in this direction. With an increase of population from without, there will be greater progress in the development of these natural resources and a corresponding improvement in financial conditions. Our Churches would be benefited by the incoming of new members from other sections of the country. We need a more enlightened and active leadership among our laymen. Too many are contented with the small attainments of the past years and are lacking in a vision of the possibilities of the future. The greatest need in our district is the acknowledgment and practice of Christian stewardship. Another urgent need is the employment of a Christian worker among the students in the Florida State College for Women and a suitable building in which to do her work. L. D. LOWE, *Presiding Elder*.

TAMPA DISTRICT.

It is with profound gratitude to the Giver of every good and perfect gift that we report a year of unusual spiritual and material prosperity throughout the Tampa District. Let it be distinctly understood, however, that this is not a report of the work of the presiding elder, but a brief statement of a few of the things that God has wrought through the faithful and efficient pastors and loyal and liberal laymen of the district.

God has graciously preserved the lives and health of the pastors and their families so as to make it possible for them to continue at their tasks without serious interruptions. Special evangelistic services have been conducted in all the charge, and the pastors' reports will show that 704 have been added to the Church on profession of faith and 1,368 by certificate, making a total of 2,072 for the year.

We rejoice in the fact that not only the total amount of assessments (the largest of any district in the Conference) have been paid in full, but all assessments for the support of the ministry, and Superannuate Endowment Fund for two years on each charge have been paid with considerable excess. In addition to the payment of these assessments more than \$23,023 has been paid for Christian Education, and a special for the Orphanage of about \$15,000, and more than \$6,000 on the Centenary pledges and a considerable amount for missionary Special and carry-on work, making a grand total for the year of \$318,696.

At Bradenton a beautiful and commodious parsonage has been erected at a cost of \$20,000 and a number of other charges have been repaired and added to the homes of their pastors.

At Palmetto a beautiful church, which reflects credit on the congregation and the city, has been sufficiently completed to comfortably house the growing congregation, and plans have been adopted to push it on to completion. In

other places of the district, Sunday school rooms have been added to or been enlarged to care for this growing department of our work.

At First Church, Tampa, \$150,000 has been secured in cash and subscriptions for the erection of a new plant to care for the large congregation and Sunday school of this historic church.

At Sarasota a large building program has been adopted for the enlargement of the auditorium and the addition of Sunday school rooms.

About the most remarkable advancement made in the district is by that young and vigorous Church organized at Seminole Heights a little more than four years ago. On Sunday, November 22, they secured in cash and pledges more than \$100,000 to provide for the erection of a building to cost not less than \$135,000 and expect to make the amount at least \$120,000 within a few weeks.

At Hyde Park plans will soon be adopted for the erection of an auditorium at a cost of not less than \$250,000.

Early in the year, we organized and secured a charter for a District Board of Church Extension, which is now functioning and promises great things for the district. We have already secured desirable lots for not less than half a dozen new buildings. These lots are valued at more than \$35,000. In addition to these lots, we have secured in cash more than \$1,500.

The ministers and members of the district seem to be awake to the marvelous possibilities for future development in this growing section of our great State and are praying, planning, and working to keep before our people the importance of seeking first the kingdom of God and his righteousness.

BOARD OF FINANCE.

We, your Board, beg leave to report that we have paid all your claimants, by the month in advance, all moneys appropriated for their support for the year. The average amount paid the claimants for the past year by this board was slightly increased over last year despite the great increase in the number of claimants participating, the average amount paid the preachers by the Conference and General Boards for the year being \$428 and the average for the widows being \$281.

It is with great regret that we report the loss of three of our honored veterans—Brothers L. D. Haynes, J. S. Brooke, and L. W. Moore, and one of our splendid widows, Mrs. E. F. Ley.

It is also our duty to call attention to the passing of two of our active men that leave widows that are claimants on your Board—Brothers E. J. Hardee and J. A. Hendry. Brothers Haynes and Brooke and sister E. F. Ley leave no claimants on your Board.

Your Board wishes to especially commend the Publishing House for the great increase in their business which enables them to distribute profits of \$100,000 for the benefit of your claimants. The Florida Conference share of these profits is \$2,844, a check for this amount being handed to the treasure since coming to Conference.

Dr. Cooper reports that in accordance with the resolution giving him as the president of this Board authority to raise a special collection for the superannuated preachers, widows, and dependent claimants on our lists, I sent out a call to thirty of our Churches, and the following contributed:

Monticello.....	\$ 100 00
Live Oak.....	100 00
Bradenton.....	100 00
Tallahassee.....	155 00
Winter Haven.....	100 00
First Church, Jacksonville.....	100 00
Lakeland.....	100 00
Sarasota.....	100 00
Ocala.....	100 00
First Church, Tampa.....	100 00
Plant City.....	100 00
Quincy.....	100 00

Tampa Heights.....	\$ 100 00
Madison.....	18 80
	<hr/>
	\$1,373 80

The expenses for postage and printing amounted to \$16.10; with this amount subtracted, I herewith hand you my check for \$1,357.70.

The Board wants to thank Dr. Cooper for this generous assistance both in behalf of the Conference and the claimants and also to thank each of the Churches which so generously responded to the call.

The Conference awaits with interest the report of the General Board concerning the actual money available for distribution to the claimant, from the Special Endowment. We are glad to be able to report that we are in receipt of an Endowment Interest Check for \$931.15 for distribution to the claimants, and that they have already distributed approximately that amount direct to the claimants during the year just passed. When the endowment of \$10,000,000 is all collected and at work, instead of just in process of collection, truly a great burden of want will be lifted from the lives of the "Forgotten Men and Women" and a great light of love and peace will fill their hearts because those for whom they worked and labored so long have remembered and at last done that thing that was right and proper to be done.

Your Board wants this Conference, by the adoption of this report, to again pledge itself to the *whole* program of the Superannuate Endowment Fund, to consecrate itself fully to the task of putting Florida 100% for three years at the next Annual Conference. Florida, because of her unprecedented prosperity owes to herself and to God this obligation to lead the Church in this great philanthropic work. We feel that she needs only the guiding hand of our elders and preachers to do this thing. If we, out of our plenty, fail to do this thing, how can we expect the less fortunate Conferences to do their part. We have a great opportunity to become the leaders in this great movement. Will we not take it?

The Board also wishes to report that they employed Ferdinand Bayer to audit the Conference Treasurer's accounts, and that they are reported to be to be in excellent shape.

We want to call the attention of the Conference to the generous action of Brother J. R. Cason in waiving all claims on the Board for the past year. We feel sure that the Conference and the other claimants want to join us in thanking him for his gracious action.

THE PHIFER STATE BANK,
By H. L. PHIFER, *Cashier*.

REPORT OF THE SUNDAY SCHOOL BOARD.

It is with a great deal of satisfaction to ourselves and a feeling of profound gratitude to our Lord and Master that we are able to report another year of unparalleled development in the Conference Sunday school work. Made possible by the splendid coöperation of the presiding elders, pastors, district organizations and other workers, the expansion of the program of the Board has been so great during the past two years that it has become impossible for one employed worker to meet the ever-increasing demands made upon him.

We have by unanimous vote reëlected F. M. Williamson as Conference Superintendent of Sunday School Work.

We have employed Miss Hester Douglas as Assistant Conference Superintendent with special charge of the Elementary Work. Miss Douglas is a Florida girl, an A.B. graduate of Southern College in the class of 1924. During the past year she has earned her master's degree in Religious Education in Northwestern University. Besides her excellent background of training, she has had wide experience in the Sunday school work. Her election is made possible by the financial assistance of the Wesley Bible Class Federation and other outside financial help.

The Board unanimously adopted the Dual Extension Program promoted by the General Mission Board and the General Sunday School Board. This plan, which has been thoroughly explained on several occasions to the members of the Conference, is distinctly missionary and has as its objectives the development of the small Sunday schools and the cultivation of undeveloped territory.

Upon the suggestion of Bishop Ainsworth, we have elected Rev. George W. Hutchinson as Dual Extension Secretary, who will devote his whole time to the Dual Extension Program. Brother Hutchinson comes to us from the South

Georgia Conference with ten years of pastoral experience. He is now completing his master's degree in Religious Education at Emory University.

We recommend the conducting of another session of the Florida Conference Summer School at Southern College next June.

In the prosecution of the Sunday school work during the coming year, we ask the continued prayers and coöperation of the entire Conference. Your Board promises the very best service it can render.

We also confirm the election of F. M. Williamson and S. D. Harris on the board of managers of the Summer Training School.

S. D. HARRIS, *Chairman*.

REPORT OF EPWORTH LEAGUE BOARD.

Your Epworth League Board wishes to make the following report for this Conference year:

Facts which have been brought to our attention give evidence of great achievement in Epworth League work throughout the Conference. We acknowledge that there has been a greater coöperation of the ministry, and through such efforts the young leadership of our Church have been enabled to advance the interests of the kingdom.

We note with great interest and gratitude the great progress of missionary spirit throughout the Church, and although the Epworth League is not a "money getting" institution, contributions have been large, and this great interest of our Zion has been paramount. However, in the advance financial educational movement of our Annual Conference we pledge our full coöperation so far as it is practical.

In spite of the fact that the financial needs of the day are pressing upon us, it is the desire of your Board that the spiritual life of our young people, through all evangelical agencies at command, be not neglected, and we encourage the proper expression of faith in Christ.

It is to be noted that during the past year approximately \$415,000 has been paid to benevolences (more than twice as much as for four years); \$96,000 has been paid for missions; we have 8,000 League Chapters throughout the connection. There are at present 40,000 subscriptions to the *Epworth Era*, which pours into the treasury of our Church at least \$10,000 a year. We urge a larger circulation of this important periodical.

We solicit the coöperation of the pastors in the Epworth League Union work and the observance of Anniversary Day.

There are 265 active League Chapters throughout the Conference.

This Board gratefully acknowledges the presence of our General Secretary, Dr. F. S. Parker, whose presence has been a great inspiration.

We recommend the election of the following to fill vacancies on our Board: Clarence O'Neal in place of J. S. Fagan, Gainesville District; W. J. Brown in place of Vann Cason, Miami District; Miss Kathleen Plum in place of R. H. Prine, Orlando District; Colin Stout in place of H. S. McLendon, Palatka District; Earl Coleman in place of W. R. Briggs, Tampa District.

We appreciate the assessment of last year and ask for a like sum of \$2,000 for the coming year.

J. E. HARTSFIELD, *Secretary*.

REPORT NO. 1 OF THE BOARD OF EDUCATION.

From the beginning of its history Methodism has regarded Christian education as one of the most important agencies of the kingdom. It has established

institutions of learning in every land where its influence has been projected. Believing profoundly with its founders in "the union of the two so long divided, knowledge and vital piety," it has always insisted that Christian education is one of the foremost duties and privileges of the Church.

The Florida Annual Conference has promoted the cause of Christian education with fidelity for many years, and in the face of many difficulties we have developed an institution of which our people may well be proud. We cannot but feel, however, that the time has come for a great advance in this great interest of the Church. Southern College, in its present state of development, is unable to meet the demands that are made upon it by the young people of the Church, and we face the alternative of either providing for its expansion or of turning over to other agencies the training of our own youth.

None can be insensible to the demands of the present hour in our State. We are in the midst of a material prosperity which has had few, if any, parallels in American history. Our temporal progress is so great that it has attracted the attention of the whole world; but, in the midst of this unprecedented advancement in material things, the cultural values of our social life have remained almost static. Education, culture, religion, and the spiritual elements of life have by no means kept pace with our accumulation of wealth. If this situation be allowed to work itself out to its logical conclusion, what must be the future of our State? It will be materialistic, selfish, and godless. To give ourselves over to the pursuit of Mammon without advancing at the same time the spiritual interests of life must, in the course of time, inevitably mean our ruin.

We are, therefore, compelled by the logic of the situation to undertake a great advance movement for the cause of Christian education. We must train leaders who will stand for Christian principles and know how to direct material activities to the higher ends of life. This can be done only by so increasing the facilities of Southern College as to bring it to a place of commanding importance in our State and enable it to serve a larger number of young people than it can possibly do in the present situation.

Feeling that this is second in importance to no cause before our Church at the present time, your Board of Education therefore proposes this resolution for the consideration of the Annual Conference:

Resolved: 1. That it is the sense of the Florida Annual Conference of the Methodist Episcopal Church, South, that a fund of not less than one million dollars be immediately raised for the development and expansion of Southern College.

2. That, while the movement to raise this fund should in no sense supersede or interfere with the regular activity of our Churches, we do nevertheless regard said movement as our foremost, especial objective for the coming Conference year and entitled to the heartiest and most active support of all our preachers and people.

3. That the active promotion of this movement be given to the authorities of the college, to a special preachers' committee composed of Rev. W. F. Dunkle, chairman, and the presiding elders of the various districts, and to a special laymen's committee composed of E. T. Roux, chairman, L. N. Pipkin, E. L. Mack, L. P. McCord, J. H. Mercer, A. E. J. Anderson, S. D. Harris, R. M. Shearer, and S. J. Hilburn.

L. W. DUVAL, *President*;
H. J. HAEFLINGER, *Secretary*.

REPORT NO. 2 OF BOARD OF EDUCATION.

We are pleased to report a year of progress in our educational work. Our people are awakening to the great importance of Christian education. They are

responding to our appeals for financial support in a most gratifying manner. They are crowding our college with sons and daughters. Upon us they are placing the great responsibility of providing the future citizens of Florida with equipment suitable for leaders of our Church. We must meet it and supply the demands of the hour.

We submit to you for consideration and approval the following items:

1. We recommend the appointment of an assistant to the pastor of the Gainesville Church whose work shall be among the students at the university, and the securing of an assistant at the Woman's College.

2. We recommend the appointment as president of Southern College of Ludd M. Spivey; for professors in Southern College, Olin Boggess and G. F. Scott; student at Yale University, Don Cooke; students at Southern Methodist University, Sewell Palmer and W. E. Dennis.

3. Our Secretary-Treasurer has made a splendid record during the year in the collection of education pledges, reporting at this session the collection of \$346,-358.83, leaving a balance unpaid of \$405,894.21. For the period of special effort in the collection of this balance, we ask that the months of April and May, 1926, be designated. In this connection we desire to thank the presiding elders and pastors for their valuable assistance during 1925. For appointment as Secretary-Treasurer we recommend A. Fred Turner.

4. We recommend the following for election as trustees for Southern College, term expiring 1928: J. E. Wall, E. E. Edge, L. F. Vaught, G. F. Scott, R. I. Barnett, A. M. Huglett; Alumni Trustee, O. O. Feaster; term expiring 1926, S. W. Walker.

5. We request that our assessment for educational purposes for the year 1926 be fixed at \$40,000, subject to the final decision of the Conference upon the report of the Commission on Budget.

6. We commend to our pastors the necessity of stressing the life service appeal in their congregations and the securing of gifts for our Ministerial Aid Fund.

7. We request the Conference to coöperate with our General Board of Education in its plan for holding Bible conferences in the larger centers of Florida.

8. We submit to you, with the recommendation of their adoption, the following resolutions from the Board of Trustees of Wesleyan College, Macon, Ga.:

(1) Whereas Wesleyan College is the joint property of the North Georgia, South Georgia, and Florida Conferences; and whereas the college has enterprised a campaign for one million dollars; and whereas the college has outgrown its present plant and is under the necessity of moving to a new and larger campus, therefore be it

Resolved, That the Florida Conference Board of Education, in session assembled, pledge its hearty support and coöperation to the authorities of Wesleyan College in this worthy endeavor.

(2) The indorsement by the Florida Conference of the plan of Wesleyan College for securing needed funds by pledging the college properties of Wesleyan College as security for the payment of such bonds as its Board of Trustees may determine is necessary for such purpose, the interest and sinking fund to be paid out of amounts that may be raised.

9. At the last session of the Florida Conference a charter for the Florida Methodist Foundation was adopted, and you authorized the members of the corporation to secure suitable tracts of land at Gainesville and at Tallahassee. This corporation has submitted its report, in which it is shown that your instructions in this respect have been observed. They now desire to raise for the

purposes of the Foundation the sum of \$5 0,000, which movement we heartily indorse and submit for your approval. We recommend for appointment as Executive Secretary of the Corporation W. A. Cooper. To fill vacancies due to expiration of terms we recommend the election of the following as members of Florida Methodist Foundation; I. C. Jenkins, Raymer Maguire, J. B. McDonald, and Russell H. Tarr; to fill vacancy due to the resignation of W. R. Minor, W. B. Harbison.

L. W. DUVAL, *Chairman*;
H. J. HAEFLINGER, *Secretary*.

REPORT OF BOARD OF CHRISTIAN LITERATURE.

We, your Board of Christian Literature, rejoice to report that our Publishing House has had an increase in its business bringing the amount to nearly \$2,000,000, giving a proportionate increase to our Conference claimants. Let everybody buy all books possible through the Publishing House, thus further increasing this fund.

We deplore the decrease of subscriptions to the Nashville *Christian Advocate* and urge the adoption of the plan of the Board of Trustees of the Florida *Christian Advocate* to publish same as supplement to the Nashville *Advocate*, thus putting the general organ into more of our homes.

We urge the observance of Christian Literature Week throughout the Conference, and that a canvas be made for our periodicals.

We further urge the use of the secular press for making known the things of importance of our Church.

This Board regards it as most unfortunate that the quarterly temperance lessons have been discontinued from our Sunday school literature. We urge this Conference to ask that these temperance lessons be restored, believing that it will greatly aid in the law enforcement of this issue.

We recommend the appointment of Rev. I. C. Jenkins as editor of the Florida *Christian Advocate* in whatever form it may be published, said work as editor to be done in connection with his pastorate.

THOMAS WILLIAMS, *Chairman*;
A. C. MCCALL, *Secretary*.

REPORT NO. 1 OF THE BOARD OF MISSIONS.

Whereas the work of the General Board of Missions has more than doubled within the past few years; and the income of the Board has not increased sufficiently to meet the expenses of the enlarged program, even after the most drastic reduction in appropriations; and whereas a sum of new money must be secured sufficient to meet the current expenses of our work or almost one-half of our present working force must be withdrawn and many stations and schools be closed, therefore be it

Resolved: 1. That we favor a prompt and vigorous effort to raise the funds needed to carry on the Church's program of missionary activity and save ruinous retrenchment.

2. That we hereby accept the proposal of the General Board to raise \$40,000 of the sum necessary, \$10,000 of which will be for the use of your Conference Board.

3. That we fix February 7 to March 7 as the cultivation period and designate March 7 as the day on which to raise this money.

4. That the presiding elders be requested to hold their District Missionary Institutes during the period of January 15 to February 15.

5. That the Conference Missionary Secretary be the treasurer of this maintenance money and director of the movement in the Conference.

6. That the Rev. Ira S. Patterson be recommended for appointment as Conference Missionary Secretary.

REPORT NO. 2 OF THE BOARD OF MISSIONS.

We are convinced of the wisdom of having the presiding elder at the head of this work in the districts; and we are appropriating a sum not to exceed \$4,000 for missionary evangelism, the same to be apportioned to the districts at the post-Conference meeting of the Board, after consultation with the presiding elders.

We indorse as evangelists W. W. Kent, P. K. Rowell, H. L. Ezell, A. D. Buck, J. I. Whitworth, S. A. McCook, W. H. McLeod, J. B. Culpepper, Sr., F. P. McCall, and C. J. Tyler; recommend for general evangelists J. B. Culpepper, Sr., F. P. McCall, and W. H. McLeod.

We recommend for appointment as Conference evangelist L. B. Simpson.

The Committee on Evangelism of the Board will require quarterly reports from all evangelists indorsed by the Board and will tabulate the same for publication in the minutes of the Conference, these reports to be made to Dr. S. W. Walker, chairman of the Committee on Evangelism.

It is the desire of this Board that you request the recognized and Conference evangelists to preach at least one sermon during every meeting they hold on the obligation of world evangelization; that they present to the people the present situation of our missionary work financially; and that they take a freewill offering for its maintenance and remit same to Ira S. Patterson, treasurer, 344 West Tenth Street, Jacksonville, Fla, this offering to be credited to the Church and charge where taken.

We believe that our presiding elders and pastors can still do yeoman service for evangelism in mission charges in contiguous territory and urge that each hold himself responsible so to do.

REPORT NO. 3 OF THE BOARD OF MISSIONS.

Your Board of Missions requests your confirmation of its election of A. H. Cole, chairman, S. W. Walker, vice chairman, and C. E. Gutteridge, secretary-treasurer of the Trustees of the Florida Conference Board of Missions. Also, confirmation of A. H. Cole and S. W. Walker as members of the Board of Directors for the Summer School.

The increased percentage on collections this year and the generous response made to the Florida Special has enabled your Board to make larger appropriations to our mission charges.

REPORT OF CONFERENCE BOARD OF CHURCH EXTENSION.

Your Board notes with great satisfaction the gratifying progress being made throughout the Conference in the essential matter of better buildings in which to do the Master's work. We call attention to the raising of considerable money in some of the districts for district Church extension work. The value of such cannot be overestimated and is a most valuable supplement to the work the Board of Church Extension is doing in this rapidly developing State.

We should have a much larger fund at this hour with which to meet the *worthy* calls from various sections of our Conference.

The assessment for the General Board for 1926 is \$4,530. The assessment for the Conference Board is \$7,000; for the J. C. Ley Loan Fund, \$900.

Grants made on applications at this meeting of the Board are as follows:

BOARD OF TEMPERANCE AND SOCIAL SERVICE.

Section No. 1.—*Social Service*.

We call attention to the fact that the Church has a social creed, ¶533, page 251, of the Discipline, and we urge our preachers to acquaint our people with the same. A number of good books are to be had on the subject and are well worth reading. We recommend the lectures of Dr. W. P. King before the Commission on Temperance and Social Service at Junaluska last summer.

We are glad to note that the work of social service continues to grow both in scope and importance.

We commend the work of social service now being done by the Woman's

Missionary Society, the Epworth League, and Sunday schools and urge earnest and persistent coöperation with the same.

We commend the State legislature for the passage of the Bible bill as asked for by this board and call your attention to the urgent need of carrying out the provision of the same. It is a source of gratification to us that the Senate and House refused to repeal or weaken the antigambling laws of Florida, and our laws are ample for our protection when enforced.

We favor the outlâwing of war. War is now the legal and organized method of settling differences between nations and has its rules and code. We wish to substitute for the code of war some code of law; we care not by what name this law may be called. Blessing upon anyone who in any way can help to stanch this open and bleeding world wound of war. The progress in this direction constitutes the greatest advance movement of the year.

The cause of the five billion dollar crime wave challenges the best thought of the nation. We have more unpunished murders in America than we have ministers of all denominations. We have more murderers at liberty than we have judges in all our courts and fifty-two thousand more liberated murderers than police on all our forces. The cause of this condition is not far to seek. A commercial and corrupt motion picture corporation peddling crime and salaciousness, making nudity and pulchritude a matter of money, ridiculing morality and religion and temperance has well-nigh weakened the American home and destroyed the moral foundations of this republic. Cry aloud and spare not must be the slogan of every true man of God.

RACE TRACK GAMBLING.

Carrying out the commission of this Conference we, your Board, tried to prevent the disgrace of race track gambling in Florida. Some three thousand dollars was spent in this fight. Hundreds of telegrams and thousand of letters were sent, monster petitions were signed and delivered to the Governor, Hon. John W. Martin. Display advertisements were carried in the *Tampa Tribune*, *Tampa Times*, *Jacksonville Journal*, and the *Observer* of Tampa, page advertisements in Florida *Christian Advocate* and *Baptist Witness*. The *Florida Times-Union* refused our advertisements. In spite of all our efforts the race track in Dade County opened and continued for the full time planned, the officials of Dade County and the governor refusing to take any action in the matter. We note from press reports that a race track is almost finished near Tampa, and races are planned for February 18 to April 3, connecting up with Miami and New Orleans. We cannot find language to express our condemnation of this betrayal of our great State. These race tracks are a menace to morals and business and have filled our State with highway robbers and murderers.

We know the law of Florida, and we know the power of Gov. John W. Martin in regard to race track and other gambling. We call on Governor Martin to end this disgrace by closing these race tracks or forever stand convicted of full responsibility for this open violation of law and every crime resulting from these race tracks.

We recommend the appointment of Rev. C. W. Crooke as Superintendent of the Anti-Saloon League of Florida for the year 1926.

Section No. 2.—Temperance.

In the long struggle of the Church to abolish the liquor traffic, we have learned that it is easier to secure the enactment of a law than its enforcement.

In view of the continued lawlessness of the liquor traffic, we appeal to our Churches to renew temperance educational work, to endeavor continuously to strengthen public sentiment for the observance of law, and to loyally support faithful public officials in the enforcement of law.

In order that the day of general observance of the Eighteenth Amendment may be hastened, we call upon all patriotic citizens "not only to obey the law, but to let it be known that they are opposed to its violation," that the purchaser of illegal liquor is equally guilty with the bootlegger.

We ask the Churches to continue to give moral and financial support to the Anti-Saloon League in its difficult work of promoting prohibition and its enforcement. We are in sympathy with a greatly enlarged educational and enforcement program for 1926.

We commend the continued effective work of the Women's Christian Temperance Union.

We urge Congress to take the enforcement of the Eighteenth Amendment out of politics by constituting the enforcement bureau as a separate unit, not under the Treasury Department, and placing enforcement agents under civil service.

We condemn the custom of judges who give small fines to persons under conviction of prohibition law violations, and urge jail sentences for those convicted and padlocks on buildings used for illicit liquor traffic.

We assure our loyal support to Federal, State, and county officers in the vigorous enforcement of all law, and we call upon the governor of Florida to declare and to put into effective operation an embargo against the entrance of intoxicating liquors into the counties, cities, and towns of Florida, dismissing sheriffs, prosecuting attorneys, and judges who will not enforce the laws and who patronize or protect bootleggers. Taxpayers should not be compelled to furnish employment to the enemies of the Constitution and those who themselves break the laws.

We are unalterably opposed to the weakening of the Volstead Act by legalizing light wines and beer.

We hereby memorialize the next legislature of Florida to pass an act to make it illegal in this State to exhibit a moving picture film which includes scenes of liquor drinking and display of whisky flasks.

We recommend the deportation of foreigners who earn a livelihood by breaking our laws and defying our Constitution.

E. WATT SMITH, *Secretary*.

REPORT OF THE CONFERENCE HOSPITAL BOARD.

Your Hospital Board wishes to make the following report for your information and consideration:

We have failed to do great things, although we have tried to the best of our ability and to the limit of our capacity financially. The Board and Commission did not get together during the year as we wanted to do, as there were not enough funds provided for the expense of such meetings, only \$200 as allowed us by the Conference for expenses. Of this amount \$73.35 was deposited to the credit of the secretary and treasurer of the Board up to the opening of the Conference session. Our expenses were as follows:

Stationery and printing.....	\$16 00
Postage.....	20 00
Expenses of secretary to District Conferences.....	53 25
Total.....	<u>\$89 25</u>

So far as we have reports, there are only four Golden Cross Societies organized in the Conference, and they are as follows:

Jacksonville District.—Wesley Memorial Church, Rev. J. E. Hartsfield pastor; 31 members and \$31 sent in to the General Board.

Bartow District.—First Church, Bartow, Rev. H. C. Hardin, pastor; 35 members; \$35 sent in.

Tampa District.—Port Tampa and Bay Shore, Tampa District, Rev. M. E. Thompson, pastor; 5 members; \$5 sent in.

Gainesville District.—Cedar Keys charge, Rev. L. E. Wright, pastor; 58 members; \$45 in hand; making a total of \$116 raised by the Golden Cross Committees.

We do earnestly and prayerfully ask the pastors to take this very important matter upon their hearts and let us make the coming Conference year a great year for the Golden Cross work. We recommend that a suitable man in each presiding elder's district be appointed by the presiding elder to give as much of his time as possible in behalf of the work of the Golden Cross. We nominate W. R. Hodges, of Cedar Keys, and Col. O. O. McCollom, of Jacksonville, to fill vacancies in the Board.

J. D. SIBERT, *President*;

L. E. WRIGHT, *Secretary*.

REPORT OF BOARD OF LAY ACTIVITIES.

Your Conference Board of Lay Activities beg leave to report as follows:

The past year has been one of splendid results in some parts of our Conference, and credit is given to the men who have had the vision of the possibilities of a well-directed program for the laymen.

Our purpose this year, while not being unmindful of all the interests of the Church, yet we will direct our efforts to organize in so far as possible a Wesley Brotherhood in every Church. We believe that the development of a spirit of Christian brotherhood among our laymen will solve a great many of our problems. We ask the hearty coöperation of our preachers, presiding elders, and general officers in this organization plan.

We want to go on record against race track gambling and all other forms of vice and law breaking in our fair State.

We are very glad again to nominate L. P. McCord, of Jacksonville, for Conference Lay Leader.

R. H. WESTER,

L. F. VAUGHT,

W. O. LEMASTERS.

THE BIBLE BOARD.

The Bible Board of the Florida Conference, in annual session assembled at the Methodist church, hereby submits the following report and recommendations:

Knowing that the Bible is the Word of God and that it contains writings inspired by the Holy Ghost in the hearts of men who have given the same to the world as their guide of faith and practice, we, as followers of Jesus Christ, accept it as our privilege to search its pages and thus learn its valued teachings.

We believe that the circulation of this Holy Word should be increased in every practical way and so commend the American Bible Society and all other agencies who are distributing it for the betterment of the whole human race.

We also, as a Board, recommend that this Conference urge upon the presiding elders that they call the interest of this cause to the attention of their Quarterly Conferences during the year.

J. W. JACKSON, *Chairman*;

R. A. SELBY, *Secretary*.

REPORT OF TRUSTEES, FLORIDA CHRISTIAN ADVOCATE.

That we accept the offer of Lamar & Barton to give us the Nashville *Christian Advocate* together with an eight-page Florida Conference Supplement in return for a subscription list of 4,500 beyond the present number of subscribers at the regular rate of \$2.50 per year, allowing us a commission of fifty cents per subscription.

3. That we make the assessment \$6,000 to underwrite these subscriptions and pay for editorial services.

4. We recommend Rev. I. C. Jenkins as editor in connection with his work as pastor.

5. That the presiding elders of each district be asked to find ways and means of securing their allotment on a ratio of one subscriber for every ten members.

REPORT OF THE BOARD OF TRUSTEES OF ANASTASIA METHODIST ASSEMBLY,
INCORPORATED.

We beg to submit the following report:

We, your Board, instructed by this Conference to close the affairs of the above corporation, upon investigation, found the affairs of the corporation involved by deficiency decrees, judgments, and taxes amounting to the sum of \$18,000. To much of this property tax deeds had already been secured. It was impossible without a long and expensive legal fight to repossess this property, and the result would have been doubtful. Upon legal advice the Board sold all its title to the property of the Assembly upon the following terms:

We secured the satisfaction of record of all deficiency decrees, taxes, and judgments, approximately \$18,000 and in addition mortgage notes for the sum of \$30,000, 8% interest, payable semiannually, the principal payable one and two years, notes secured by first mortgage on sixty acres of unincumbered land on Anastasia Island, St. Augustine, Fla. These notes are now in the People's Bank, Jacksonville, Fla., for collection.

There is outstanding against this corporation old debts aggregating perhaps \$5,000, including interest. It is the purpose of this Board to pay this indebtedness and thus clear the good name of the Church. We expect to have \$25,000 net, which is the property of the Florida Annual Conference and which this Board will ask this Conference to direct.

We recommend the continuation of the Board as it is now constituted, with the exception of the name of R. L. Fisher, of Jacksonville, Fla., in place of C. Brinkley, resigned.

W. A. MYRES, *President*;

GEORGE V. SALZER, *Secretary*.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

Your Committee on Sabbath Observance submit for your approval the following report:

1. We feel moved again to affirm and emphasize our belief in the Decalogue and the New Testament and that God's law of the Sabbath is an integral part of those records. Whatever men may do in violence to this fundamental moral law, it has never been repealed.

2. We aver, with our Lord, that the Sabbath was made for man and not man for the Sabbath, and that the only way by which man can be cared for and saved is by making and keeping the Sabbath what God ordained it to be.

3. We stand convinced that the gist of this law is not involved in the observance of anyone particular twenty-four hours in any given community, but rather of one-seventh of every seven days. The law of expediency asserts its dominancy here as in many other problems.

4. The sanctity of the Sabbath as set forth in the Holy Word and an altogether too general a laxity of morals in men's failures to keep it holy lead us to bemoan its desecration by open show houses during its holy hours, the vicious frequenting of seaside and lakeside in promiscuous nudity, the carnal self-indulgence in the misuse of the automobile on that day, the carrying on of various businesses, and by doing ordinary and unnecessary work thereon and by other forms of desecration.

We exhort especially that all our people remember this holy day and that all our preachers preach and observe the Sabbath day to keep it holy.

W. K. PINER, *Chairman*;

J. M. SIKES, *Secretary*.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS.

We, your committee appointed to examine District Conference records, beg leave to report that all records were found in good condition and all matters properly recorded with the exception of the Jacksonville record, which showed the report of the licensing committee *ad interim* had not yet been recorded.

W. O. LEMASTERS, *Chairman*;

JAMES A. HENDRY, *Secretary*.

RESOLUTIONS.

1. *Concerning Our Doctrines.*

Whereas modernism, or higher criticism, has become too prevalent in our Church life and literature; and whereas Methodism and so-called Modernism cannot be harmonized; and whereas the promotion of spiritual life among our people is utterly dependent upon the clear-cut teaching of the doctrines of our Church, and inasmuch as the spiritual life of our people is seriously threatened by these false teachings which contradict Bible truths as interpreted by our standards of doctrine; therefore be it

Resolved 1. That we as a Conference reaffirm our faith in and our adherence to the canonical Scriptures as named in our Articles of Religion; its historical account of the creation as set forth in Genesis; the direct, inerrant inspiration of the Scriptures by the Holy Spirit; the Virgin Birth and the bodily resurrection of our Lord and Saviour, Jesus Christ; and all the other teachings of our doctrinal standards.

2. That we urge continued diligence on the part of the authorities of our college, where the faith and thought of our young preachers, Church leaders, and Sunday school teachers is being crystallized, to see to it that the slightest encroachment on these sacred truths shall not be permitted.

3. That we thank the editor of the *Florida Christian Advocate* for giving us literature full of pure and wholesome doctrine and urge him to continue the same.

4. That we, the preachers of the Conference, pledge ourselves to give more attention and service to these sacred truths in our ministry and urge all our Sunday school workers, teachers, Epworth League leaders, and other leaders to pledge themselves to do the same.

2. *Concerning Unification.*

Whereas the pending plan of Unification has failed of the necessary three-fourths vote in the Annual Conferences of our Church; and, whereas the Methodist Episcopal Church and the Methodist Episcopal Church, South, are one in origin, doctrine, and polity, therefore be it

Resolved, That we desire, in Annual Conference assembled, to indorse the principle of unification and to express our hope that in the future a more suitable plan will be prepared.

J. P. HILBURN,

W. A. COOPER,

M. H. NORTON,

H. E. PARTRIDGE.

3. *Concerning Thanksgiving Offering.*

Resolved, That hereafter Thanksgiving Day be set apart as a time to take an offering in all our Churches and that said offering be sent to the trustees of the Preachers' Relief Fund to be added to their endowment.

W. F. DUNKLE,
A. M. DAIGER.

4. *Thanks.*

Resolved, That we, the members of Florida Annual Conference, do most heartily tender to the pastor and his assistants and members of the First Methodist Church of Orlando our grateful appreciation for the splendid hospitality tendered us. We especially desire to commend Mrs. F. B. Godfrey and her helpers of the Entertainment Committee; Mrs. A. A. Gould and her helpers who have so graciously served us in the dining hall; to Misses Stout and Saunders of the office force.

We also tender our thanks to the pastors and members of the Presbyterian Church and others for their coöperation in entertaining the body.

To the Underwood and Royal Typewriter Companies.

To the railroads for special rates to the Conference.

To the newspapers for their splendid service which they have rendered us.

To any and all who have made our stay in Orlando, the City Beautiful, so pleasant, and commend them to Almighty God for their splendid sacrificing service.

MEMORIALS TO GENERAL CONFERENCE.

1. *Regarding Membership in the General Conference.*

We, the Florida Annual Conference, in regular session assembled, respectfully memorialize your honorable body to change ¶33 so as to make it read:

"The clerical representatives shall be elected by the clerical members of the Annual Conference; *provided*, that such representatives shall have been traveling preachers at least four years next preceding their election and are in full connection with the Annual Conference which elects them, when elected, and also at the time of holding the General Conference; *provided further*, that if any representative elected ceases for any reason to be a member of the Annual Conference which elected him in the interval of holding the General Conference, the first alternate shall automatically take the seat in the General Conference.

"The lay representatives shall be elected by the lay members of the Annual Conference; *provided*, that such representatives be twenty-five years of age and shall have been members of our Church for at least six calendar years next preceding the time of their election, and also at the time of holding the General Conference; *provided*, that if such representative elected shall change his membership to another congregation outside the boundaries of the Annual Conference which elected him the first alternate shall take the seat in the General Conference."

R. IRA BARNETT.
M. H. NORTON,
W. A. COOPER.

2. *Regarding Membership in Annual Conference.*

The Florida Annual Conference, in annual session assembled, respectfully petitions you to enact such legislation as will prevent specifically the member-

ship of any preacher, traveling or local, from being added to the membership of an Annual Conference in any other way than by a vote of the Annual Conference itself; *provided* that nothing herein shall interfere with the power of the bishops to appoint traveling and local preachers to labor in any part of the Church.

3. *Regarding Ordination.*

We, the Florida Annual Conference, in regular session assembled, respectfully memorialize your honorable body to so change the law of the Church as to ordain a man a deacon when he is admitted on trial in the Annual Conference, an elder when he is admitted into full connection, and give him a diploma when he graduates from one of our Correspondence Schools.

R. IRA BARNETT.
W. A. COOPER.

4. *Regarding Changes in the Constitution.*

We, the Florida Annual Conference, in regular session, respectfully memorialize your honorable body to consider these changes to the proposed constitution of our Church.

1. Let Article III, section 1, read as follows:

"There shall be held in each pastoral charge a Quarterly Conference composed of all the members of the charge over eighteen years of age with such powers as the General Conference shall provide."

2. Let Article IV read:

"POWERS OF THE GENERAL CONFERENCE.

"Subject to the limitations and restrictions of the constitution, the General Conference shall have full power to make rules and regulations for our Church and in the exercise of said power shall have authority as follows:

"(1) To define and fix the conditions, privileges, and duties of Church membership.

"(2) To define and fix the qualifications and duties of elders, deacons, local preachers, class leaders, exhorters, and deaconesses.

"(3) To define and fix the powers, duties, and privileges of the episcopacy; to fix the number of bishops to be elected and to provide, in harmony with the historic practice of Episcopal Methodism, for their consecration as bishops of the Church, subject to the limitations of the Third Restrictive Rule.

"(4) To alter and change the Hymnal and Ritual of the Church and to regulate all matters relating to the form and mode of worship, subject to the limitations of the First Restrictive Rule.

"(5) To provide for a judicial system and a method of judicial procedure for the Church, except as herein otherwise provided.

"(6) Reënact the Restrictive Rules."

R. IRA BARNETT,
W. F. DUNKLE,
C. FRED BLACKBURN.
W. A. COOPER.

5. *Regarding Missionary Cultivation.*

Whereas there is no adequate provision for the support of our general missionary work; and whereas it is not practicable to provide such support by means of assessments; be it

Resolved: 1. That we hereby memorialize the General Conference to be held in May, 1926, to set apart the period from the 15th of March to the 1st of May each year as a time for missionary cultivation.

2. That the Board of Missions be authorized and instructed to bring to the attention of the Church the nature, extent, and needs of its work; and that all pastors and congregations be instructed to use this period for spreading missionary intelligence and deepening missionary conviction.

3. That a voluntary offering be made in every congregation on the first Sunday in May, or as near thereto as possible, for the support of our general missionary work, home and foreign.

A. H. COLE,

IRA S. PATTERSON.

6. *Regarding Power of General Conference.*

We, the members of the Florida Annual Conference, in session at Orlando, Fla., do memorialize and petition the General Conference of the Methodist Episcopal Church, South, to take the action they may think necessary to define the power of the General Conference in any and all matters which involve the life and future of the Church, such as unification or organic union with any other body in the whole world.

We think it wise on the part of the General Conference and best for the peace of the Church and therefore memorialize and petition you to take such action as you may deem necessary to clearly define the power of the General Conference so that in the future all matters sent down to the Annual Conferences may be considered and acted upon by them without any question at all as to their legality and without any thought whatever as to the danger of need or room for an appeal to any civil court to settle for us law points.

J. S. CHAPMAN.

G. W. STUBBS.

7. *Regarding Conference Claimants.*

The Florida Annual Conference of the Methodist Episcopal Church, South, in session at Orlando, Fla., December 3-7, 1925, hereby respectfully requests the General Conference of said Church, at its next session in May, 1926, to make the following changes in our law regarding Conference claimants:

Immediately after the word "service," in ¶192, page 90, of the Discipline of 1922, add the following: "*Provided*, that a local preacher who has served as supply pastor in our Church for a period of not less than ten (10) years, and becomes worn out in such supply service, shall, on recommendation of the Committee on Conference Relations, and with the concurrence of the Conference, be entitled to participate in the funds raised for the support of the regular Conference Claimants."

After the word "service" in the sixth line of ¶352, page 157, add the following: "and to such local preachers as are entitled to participate under the provision in ¶192."

After the word "preachers" in the thirteenth line of ¶355, page 158, add the following: "and for such local preachers as are entitled to participate under the provision in ¶192."

After the word "preachers" in the fourth line of ¶356, page 159, add the following: "and to such local preachers as are entitled to participate under the provision in ¶192."

To make all sections of the Discipline, bearing upon the subject of Conference claimants, conform to the above-named change in ¶192.

R. E. L. FOLSOM,

M. B. Cox.

8. Regarding Hospital Policy.

We, the Florida Conference Hospital Board, do hereby memorialize the General Conference at its next meeting:

1. To adopt a hospital policy that will grandly obey the command of Jesus to "heal the sick," a policy that will worthily represent our noble Church.

2. To relate the Golden Cross enrollment to the work calender of the local Church and to the reports of pastors in a wise and effective way.

3. To make such financial provisions for the General Hospital Board as will enable it to promote this ministry and lead a grand advance in hospital service.

J. D. SIBERT, *President*;

L. E. WRIGHT, *Secretary*.

9. Regarding Powers of the Conference Epworth League Board.

Transfer Section 3 to Section 4; let Section 4 take the place of Section 3, pages 194, 195.

On page 196, Section 3, Paragraph 430, third line from the last of said paragraph, substitute the following:

"They shall be especially charged with organizing, supporting, supervising, and fostering the Conference Epworth League." The whole paragraph shall read as follows: "The Board shall give special attention to Epworth Leagues and shall coöperate with the Central Office and the League organizations within the Conference territory. They shall especially be charged with organizing, supporting, supervising, and fostering the Conference Epworth Leagues."

Page 197, Paragraph 435, item one, line three shall read as follows: "Out of its funds the Conference Board shall assist the Conference Epworth League in carrying out such work as the Conference Board may approve." Also on same page and same paragraph, item three, after the word "secretary," line two of said paragraph, add "and treasurer," so that the item shall read: "The president of the Conference Board, the secretary, and the treasurer shall be *ex-officio* members of the Conference League cabinet."

Section 4, page 195, Paragraph 432, line 4, after the term "district," add "and the president of the Conference Epworth League," so that Paragraph 432 shall read in part: "each Annual Conference shall elect quadrennially an Epworth League Board composed of one minister and one lay member from each presiding elder's district, and also the president of the Conference Epworth League.

EPWORTH LEAGUE BOARD.

10. Regarding Change in Creed.

We, the Florida Conference in session assembled, respectfully memorialize the General Conference to substitute the words "Christ's Holy Church" for the words "Holy catholic Church."

JOHN R. CASON.

ALLAN MACFARLAN.

11. Regarding Direct Lay Representation.

The Florida Annual Conference, in session assembled, respectfully petitions you to enact such legislation as will give to each pastoral charge in our Church direct lay representation in Annual Conference by providing that the lay members of the Annual Conference shall be elected by the pastoral charges in such manner as to you may seem best to provide.

MEMOIRS.

REV. JOHN A. HENDRY.—John A. Hendry was born in Hamilton County, Fla., April 28, 1867, and died Thursday, July 30, 1925. "There is something better than 'making a living'—that is 'to make a life.'" John A. Hendry "made a life." He *lived* every moment of the fifty-eight years he spent upon earth, after passing from childhood, and no man has lived more in the thirty-four years he spent in the Florida Conference of the Methodist Episcopal Church, South. Received on trial into the traveling connection at Tampa in 1892, he was immediately sent as pastor of Osceola Mission and served this difficult field successfully for two years, when he was admitted into full connection and ordained deacon at the Conference held in Palatka by Bishop Atticus G. Haygood. Then followed in succession two other large mission charges, Lake Worth and Volusia Missions, and his ordination as elder by Bishop John C. Granbery at Tampa, 1895. He served Apalachicola, Starke, Lakeland, Bradenton, and Madison charges in the order named. Also Ocala, Quincy, Hampton, and Plant City. Being an alumnus of the Florida Conference College, and deeply devoted to the cause of Christian education, he was ever active in the building of our college at Leesburg, Sutherland, Clearwater, and Lakeland and was a member of the Board of Trustees continuously until the end of his life. He was first appointed Agent of the college, 1902, and served in this capacity for two years, giving himself no rest in his endeavor to build it in both material plant and student body. He was again called to this work as Conference Secretary of Education in 1922-24. He has builded himself a monument in the hearts of the young people of Florida, for whose well-being, culture, and salvation he spent himself freely. In 1906 he was appointed to the Jacksonville District, and carried into his four years' service as presiding elder the fullness of consecrated zeal that signalized his service in every task assigned him by his Church. His administration was marked by mission extension work in the city of Jacksonville, much of which he personally financed out of his limited salary. His last appointment, serving which when he was stricken, was Fort Pierce, where he immediately projected plans for a modern and adequate church and parsonage. His people have been considerate, kind, and generous in their treatment, and share with us the deepest sorrow in losing him from earthly associations and endeavors. "We know where to find him." He said to me, "Brother Patterson, Sarah is going to take me to the mountains when I get better," but it was a heavenly escort that "lifted him to higher ground," even higher than all mountains, to the altitude of the heavenly city, to fellowship of those who, like himself, "had counted not their lives dear unto themselves," that they might "make up that which was behind of the sufferings of Christ, knowing him and the fellowship of his sufferings," and was made comformable to his death, while many stood over against him, they knew he battled conscientiously for his conception of truth and the right. He was "no mean adversary," but by the standards of manhood he stood preëminent. He battled, loved, and served with *all his might*, but he did all of this fairly, openly, justly. The page in the religious history of Florida which he wrote with his life is traced in "heart blood"—the red line of self-sacrifice—and stands out, even now in visible results. The years will bring others to join these; but not till "the books are opened" at the end of the ages can anyone know how large, how gracious, how unselfish were his aims, endeavors, and sacrifice. Seen in the light that reveals all, we will cry with one voice "amen," as his Master, Saviour, King, says: 'Well done, good and faithful servant, enter into my joy forever.'

REV. JOSPEH SAMUEL BROOKE.—Joseph Samuel Brooke was born on the Isle of St. Helena, England, March 16, 1850; came to America in 1875; was married to Miss Agnes Hayhurst, October 3, 1876, with whom he lived until her death, May 6, 1921. This union was blessed with six daughters, four of whom grew to womanhood. Mrs. M. T. Knox, of Delray, Fla., Mrs. E. A. Diamond, and Mrs. Martin Masterbrook survive him. His second marriage was to Miss Margaret Hinds, of Liverpool, England, January 9, 1924; who died February, 1925. In early life he gave himself to Christ and the work of the Church. His long term of faithful service, patiently enduring hardships incidental to the the work of a pioneer Methodist preacher, bears unmistakable evidence to the depths and strength of his consecration. The first part of his ministry was in the Wesleyan Methodist Church. He identified himself with the Southern Methodist Church and joined the White River Conference, Arkansas, 1881, in which he served the following charges: Newport, Smithville and Walnut Ridge, Evening Shade, Salem, Sulphur Rock, Dese, Portia, Fulton, and two years presiding elder of the Batesville District. In 1900 he transferred to the Florida Conference, in which he has served the following charges: Seffner, Largo, Brooksville, Dade City, Oviedo and Geneva, Delray and Boynton, Dania, Ojus and Pompano, Southside (Miami), Kingston and East Palatka, and Grand Island. His deafness was a handicap to the pastoral part of his ministry, though in spite of this he served with exceptional acceptability. He lived in the perfect confidence of the people and close to their hearts. He held first place as a gospel preacher. His message had no uncertain sound. He knew the things declared to others, and his preaching was in power and demonstration of the Spirit. Many have been blessed through his ministry and will rise up in the last day to call him blessed. At the last session of the Florida Conference he was superannuated, although he plead to be continued effective. On the morning of November 17 he seemed to be in perfect health and happiness. He had written a birthday letter to a daughter in Miami and was walking on the railroad track toward the depot to mail the letter and was instantly killed by a passing through train. His body was laid to rest beside his loved ones in the cemetery of West Palm Beach. We shall miss his cordial greetings and the spiritual benediction of his presence and ministry. We part in hope of seeing him again in our "Father's house." The words of the apostle fittingly apply to the conclusion of his long and faithful service, "I have fought a good fight, I have finished my course, I have kept the faith," henceforth the crown of righteousness that awaited him.

REV. L. D. HAYNES.—Lorenza D. Haynes was born in Wadestown, W. Va., October 2, 1854, and died in Lakeland, Fla., at Morell Hospital, June 14, 1925. He was converted at the age of ten; was licensed first to exhort; then to preach, September 10, 1884; was admitted into the itinerancy of the Methodist Episcopal Church the same year; transferred to St. John's River Conference in Florida in 1894; and joined the Florida Conference, Methodist Episcopal Church, South, January, 1903. He was placed on the retired list several years ago because of failing health. Brother Haynes was an old-time Methodist preacher. In the early days, with horse and saddlebags, he traversed the hard circuits of the West Virginia mountains, preaching the old-time gospel and hunting the lost sheep of the Master. He had a deep experience of divine things, and tried to follow out his maxim: "God first." A loved one says of him: "I sometimes fancy I hear him singing a favorite song:

"O, now I see the crimson wave,
A fountain deep and wide."

On February 9, 1876, he married Miss Mary C. White, who for years shared with him the joys and sorrows of life as a layman, and later a Methodist preacher, and was the mother of his three children—his son, James S., now deceased, and daughters, Mrs. Jessie F. Kling and Mrs. Mattie E. Durant. She died December 13, 1901. In February 19, 1902, he was again married to Mrs. Emily Nobles, who died April 24, 1921. Brother Haynes was a sound gospel preacher, a good pastor, and an earnest faithful worker. He has entered into his heavenly rest.

H. E. PARTRIDGE.

REV. LEVI WESLEY MOORE, D.D.—Born in North Carolina, March 28, 1857, after the lapse of nearly sixty-nine years, filled with the varied experiences of a Methodist itinerant preacher, for a little more than forty-five years, he "crossed the narrow stream, called death," in the home of his daughter, Mrs. F.L. Durand, at Yalaha, Fla., August 8, 1925. He came to Florida while still a youth, and here he found the companion of his life, partner of his hardships and successes, sharer of his weal and woe. This marriage to Miss Ferrand, of St. Augustine, in 1883, was while he was serving his first charge, St. Augustine Mission, with less than one hundred dollars a year for his support. Only one who loved the kingdom of Christ like himself would have consented to enter into this partnership of sacrifice, suffering, and service. To them were born eight children, four daughters and four sons; Wilbur died in a hospital in France during the World War, and one daughter died in infancy. His three surviving daughters and two sons and his wife were in attendance at his burial. In the State of his adoption he found not only a life companion, but he found Christ, who, from that time on was the arbiter of every decisive question. "Thus all alone, I'll let him choose for me." So, not only did he find Christ, but Christ found a willing minister, servant, and follower. "With him to lead, I will not fear, though dark the way may be." He was admitted on trial into the Florida Conference at the thirty-seventh session, at Ocala, Bishop Pierce presiding, and was appointed to St. Augustine Mission. Serving on foot an extensive territory, fording creeks and swollen streams, suffering hunger at times, none of these things moved him while opportunity was his to feed the flock, find the lambs, and bring the wandering into the fold. This was the beginning of a ministry that touched with spiritual blessing every section of the Florida Conference area. For he served eighteen pastoral charges, from the red waters of the Chattahoochee River on the west to the waves of the Atlantic which break on the white beach of Amelia Island on the east, and from the Georgia boundry on the north to the island city of Key West. Add to this eight years as presiding elder and two years as editor of the *Florida Christian Advocate*, with not quite two years of suffering on the honor roll, and you have in part the statistical record of an apostolic ministry. While this tells how long he served, it does not tell *how well*. As a preacher, few have equaled him in eloquent expression. As an expositor of truth, he was luminous. As a reasoner, he was clear, lucid, and convincing. Strong in his convictions, and unafraid, yet he was rarely heard in debate on the Conference floor. He would not be drawn into controversy, because of his conviction that it was unprofitable to those engaged or the cause in dispute. He never paraded his attainments in scholarship, although he was all these years a diligent student. He could but express his glowing thought in eloquent language, for he had the

soul of a poet, that thrilled with the beauty of God's creation. He was a world Christian in ideal, beholding the King in his beauty, he saw the kingdoms of this earth as the empire over which he is to reign and strove with all his power to hasten this grand and glorious consummation. Who would not covet the riches of faith and the fullness of service he had? Upon whom will his mantle fall? Who will fill the place in the Church he has left vacant?

REV. EUGENE J. HARDEE.—Eugene J. Hardee was born in Marion County, Fla., August 2, 1864; was converted in early life; married Miss Alfaheus M. DuPree, October 15, 1884; was admitted on trial into the Florida Conference at Palatka in 1894; and entered into his heavenly rest and reward, January 11, 1925. He was a student in the Florida Conference College, where he graduated; and with the aid of his faithful, self-sacrificing wife, along with several young men, made his way through by plain living, diligent work, and hard study. In the Conference he served the following charges: Sarasota, Maitland, Homeland and Fort Meade, Lake Butler, Bryceville, Callahan, Marvin Church (Jacksonville), LaBelle and Alva, and Haskell, remaining at most of these from three to four years and serving the second time at two of them. Humble in manner, tender in his dealings with all, loyal to God and the Church, untiring in labors, one word fitly describes his character and life—faithfulness. He was appointed to Lakeland Mission, which included Haskell, at the last Conference. He preached but a few times on this work, then was taken sick, and in ten days went home to his Father's house, January 11, 1925. He passed away in his home in Lakeland. Dr. Rosenberry, who visited him frequently in his last sickness, writes: "He was the happiest sick man I ever saw. The thought of going to be with God gave him great joy. He was eager to go." The funeral was held in Dixieland Church, Lakeland, many ministers being present. and his remains were interred in Roselawn Cemetery in Lakeland, Fla. Of Brother Hardee we may say, while never a great preacher, he was a good preacher, and one of the most faithful, consecrated, and spiritual men among us. Like Barnabas of old, he was a good man, full of faith and of the Holy Ghost. The charges he served were all the hard circuits and missions of our Conference, yet he went to them cheerfully, and with never a murmur, and did his work as loyally and devotedly as anyone ever did, and God blessed his ministry and made it fruitful, for there are many all over this State who were led to Christ through his instrumentality and in the great day will rise up and call him blessed. A good man, a true man, and a useful man, having finished his course has gone to his reward. Tired and weary he has entered into the rest that remaineth for the people of God.

F. PIXTON.

MRS. E. F. LEY.—Miss Lula Coffee was born in Madison County, Fla., in 1862; converted in early life; and early in his itinerant life, linked her fortune and life to that of a man bearing the name of one of the honored pioneers of Florida Methodism, and who himself made a record of faithful and efficient service—Edward F. Ley. For over twenty years she was his faithful, loving, and helpful wife in the making of his home, the rearing for usefulness their six children, and carrying on of the work of the Church. Though modest and unobtrusive, she was ever ready to take her place in the work to which she was called. "Willing and obedient" was a phrase characteristic of her. Everywhere she made friends, and had the confidence of her people, and in her daily walk illustrated genuine piety. After a full and useful life with five years spent in

lonely widowhood, and not untouched by physical pain, in the home of a beloved daughter in Cocoa, Fla., she drew near her earthly ending. It is not surprising that a life like hers found a peaceful and triumphant close. With all her children near by she met unafraid the last enemy; and on May 30, 1925, passed into the eternal with these words as her last testimony: "Let me go children; everything is ready." Thanks be to God for the holy, heroic women who thus bless the lives of our itinerant preachers, leaving to us examples worthy of imitation and memories fragrant with the breath of heaven.

H. E. PARTRIDGE.

MRS. J. S. BROOKE.—Margaret Hinde was born in Liverpool, England, July 6, 1871, and died at Umatilla, Fla., February 19, 1925. Coming to America in the fall of 1920, she spent some time in Miami, Fla. Later she lived for a while in Vancouver, B. C., Canada. On January 9, 1924, she was married to Rev. J. S. Brooke in the city of Jacksonville, Fla., Rev. I. S. Patterson officiating. She was the oldest child in a family of twelve children, eight of whom, four brothers and four sisters, survive her. From early childhood she was under the influence of the Sunday school and Church. She became a member of the Methodist Church, South, February 16, 1924. She loved the Church, and her chief delight was found in attendance upon its services. In her home she put special emphasis upon the family altar, being unwilling to allow anything to interfere with its service. It was the writer's privilege to meet Sister Brooke early in 1924. With her noble husband she served God and the Church on the Grand Island charge during that year. Brother Brooke seldom went to an appointment that she did not accompany him to it. The people of their charge loved her and trusted her as a leader in their work. Our people at Umatilla, with whom she worshiped when she had opportunity, esteemed her most highly. She was exceptionally skilled in music, frequently singing special songs, always to the delight of those who heard her. Sister Brooke was a most gracious character, so refined and gentle. Her superior worth was soon discovered by those with whom she associated. She was a devout Christian. The radiance of her life inspired in others a desire to be like her blessed Saviour. Although death was so unexpected, to one so well usually, it found her ready to go, and her free spirit went rejoicing home to the Father's house. This sketch may appropriately close with St. Paul's triumphant words: "Thanks be to God which giveth us the victory through our Lord Jesus Christ."

A Burning Shame!

IS IT INSURED?

Nobody knows when Fire or Lightning or Windstorm will rage and destroy. Somewhere every day Church or home property is burning.

The National Mutual Church Insurance Company of Chicago

(THE METHODIST MUTUAL)

has been furnishing protection AT COST under its *easy annual payment* plan since 1898. No Church can afford to carry its own Fire, Lightning, or Windstorm risk—nor can any home owner! NO ASSESSMENTS. *Legal reserve for the protection of its policyholders the same as stock companies.* Insures Churches, Parsonages, Property of Ministers, Homes, and Personal Effects of Church Members. NO AGENTS. DEAL DIRECT.

Policies now in effect over SEVENTY-ONE MILLION DOLLARS (\$71,000,000.00). Gross Losses paid over \$1,681,628.60. **NOT ONE DOLLAR EVER DUE AND UNPAID.**

And further, that if there be any whose names appear upon more than one of any of the Boards or commissions, the named person shall resign from all except one, the places thus made vacant being filled in the regular way.

"Provided, however, that this does not refer to Boards of Trustees which are corporate bodies."

**Basis for Assessments**—The following resolution was presented by Dr. W. A. Cooper, and passed:

"Whereas, in 1922 the Conference assessments for the carrying on of this work were based upon a per capita payment of three dollars per member, and the assessments made for the various Boards were fixed at a certain per cent. of the above basis, and,

"Whereas, a net increase in our membership during the past quadrennium approximates 20% and if this basis is continued for the ensuing quadrennium it would give to each of these Boards an increase of twenty per cent. over their apportionment of 1922.

#### REPORT ORPHANAGE BOARD TO ANNUAL CONFERENCE

The Orphanage has enjoyed a prosperous and peaceful half year. This has been a season of constructive activity in several important particulars, made possible by the wise management of children and careful expenditure of funds, provided by a generous people.

Although it requires a longer time than the few months given supervision

by the present management to accomplish all that has been outlined, splendid results are evidenced.

There is a fine opportunity here for a magnificent plant, with twenty-five acres of well-located campus, grove and farm, and after years of hope deferred and untiring toil there is prospect that the dream is being realized.

The improvements for the half year comprise a number of much-needed repairs and building, with definite arrangements for increased quarters.

The permanent plant consists of the Girls' Dormitory, living rooms, dining room and kitchen (Building No. 1). The Boys' Dormitory, a brick and stone two-story building, the first floor devoted to an assembly room, office and visitors' bed room (Building No. 2). The little children's dormitory, a one-story concrete building admirably fitted for the younger children (Building No. 3). A small cottage (Building No. 4). The Superintendent's residence, a newly constructed bungalow of six rooms (Building No. 5) and such outside smaller buildings used for electric plant, etc.

Various repairs and improvements have been made during the six months, such as new fencing and grading, the addition of the electric laundry, gift of Mr. Charles S. Hall of Bradenton; the painting of the interior of the Girls' Dormitory; the placing of windows on the screened porches of two dormitories, building book cases and other additions. Also providing play-ground equipment.

Plans are now completed for the erection of a commodious fireproof building for general purposes, new dining rooms and Girls' Dormitory at an estimated cost of fifty thousand dollars. This is made possible through the fund raised by the Field Agent, Rev. Smith Hardin.

The operations of the farm are up to the standard with all the available land in cultivation. Growing crops for home consumption and there is now a larger herd of cows increasing the milk supply materially, a much desired addition in the interests of the younger children especially. The general health of the children has been exceptionally fine, with the exception of a light epidemic of flu during the winter.

The children have been examined by a representative of the State Board of Health and pronounced above the average of community children.

**Report of Board of Education**—Rev. J. H. Daniel read the following report of the Conference Board of Education which was adopted after W. A. Cooper, W. P. Buhrman, and H. H. Sherman had spoken briefly.

#### REPORT OF BOARD OF EDUCATION

We are gratified in being able to sound a note of optimism in our report to you on your educational interests. The past six months have been crowned with labors and, through the blessings of our Father, have proved fruitful.

At the last session you sent us forth to raise an endowment and working capital of \$1,000,000.00. We come back to you with the Conference not more than half canvassed, with the total subscription of more than \$1,200,000.00 and ask you to authorize us to continue for another Conference year, in compliance with the following Resolution, which we ask you to approve, adopted by the Trustees of Southern College and this Board:

Resolved: Whereas, the Conference at its last session authorized the President of Southern College to institute a campaign to raise one million dollars from the entire State of Florida, and,

Whereas, the campaign so far concluded in the towns of Fort Myers, Bradenton, Bartow, Sarasota, St. Petersburg, Tampa, Lakeland, Jacksonville, Miami, and (Plant City in part) has yielded one million two hundred thousand dollars, and,

Whereas, it is manifestly unjust to these towns, and to the rest of the State as well, to discontinue the campaign until the whole State has been canvassed, therefore,

Be it Resolved, That the President of Southern College be authorized and instructed to continue the campaign until all parts of the State have been worked; and in doing so, to challenge the remainder of the State to duplicate what the above named towns have done.

In this connection, we desire here to record our sincere appreciation of the very efficient work of our Secretary-Treasurer, Rev. A. Fred Turner, in his untiring labors, in his whole-soul devotion to the task assigned him, and to note our deep regret that we could not persuade him to continue in our educational work.

We have decided to follow the plan suggested by our General Board of Education, viz: to place all unpaid pledges secured in the Christian Education Movement in the hands of the Board of Trustees of Southern College for collection.

We desire to express our appreciation in the action of the Methodist Foundation in postponing its campaign for funds until Southern College has completed its present campaign.

During the last year Southern College enrolled 396 students, most of whom took the regular College Courses. We are now recognized, conditionally by the Southern Association of Colleges and Secondary schools, and we hope, shortly, to be accepted into full membership by this Association. Southern College has been elected to full membership in the American Association of Colleges and also to the Southern Inter-Collegiate Athletic Association. Our plans are for enrollment of 500 students for the coming year. Our College is prospering under the excellent leadership of its President.

We submit for your consideration and approval the following items:

1. We recommend that our assessment for educational purposes for the year 1926-1927 be fixed at \$30,000.00.
2. We urge our pastors to stress life service appeal and to co-operate

with the General Board of Education in its plans for Bible Conferences and Summer schools.

3. To fill vacancies, due to expiration of terms, we recommend for your election, the following as members of the Board of Trustees of Southern College to serve until the 1929 session of our Conference: S. W. Walker, J. P. Hilburn, G. S. Roberts, W. P. Buhrman, L. W. Duval, L. P. McCord, J. J. Swearingen, J. H. Mercer and as Alumni Trustee, J. H. Daniel.

4. We recommend the appointment as President of Southern College, Ludd M. Spivey; for Professors of Southern College, Olin Boggess and G. F. Scott; C. W. Alford, student to Emory University; Don A. Cooke, student to Yale; A. C. Riviere, student to Drew Theological Seminary; R. H. Barnett, as Trustee of Wesleyan College.

5. The General Board of Education has fixed the assessment on the Florida Conference for the quadrennium 1926-1930 for General Education, \$3,430.00 and for Theological Schools, \$2,127.00.

We are grateful to all our pastors, presiding elders, members of our church and to friends for their loyal support and for the liberality in our campaign for Southern College.

Respectfully submitted,

L. W. DUVAL, *President*.

J. H. DANIEL, *Secretary*.

**Anastasia Assembly**—Rev. W. A. Myres presented the report of the trustees of the Anastasia Methodist Assembly, which was merely a matter of record as follows:

The affairs of this corporation have been brought to a successful conclusion. We have assets secured by first mortgages in the sum of thirty thousand dollars bearing interest at the rate of eight per cent. per annum. We have reduced our indebtedness by twelve hundred dollars the past year.

We attach hereto a financial statement from George V. Salger, Treasurer. We recommend election of the Board of Trustees. W. A. Myres, president; I. S. Patterson, vice-president; G. V. Salzer, Secretary; R. L. Fisher, J. M. Peeler, L. P. McCord, F. E. Steinmeyer, C. W. Dudley, D. G. Barnett, W. S. Hullett, and J. J. Hurd in the place of John A. Futch, deceased.

We ask that this Conference endorse the plans of the Board to use the funds now belonging to this Board for the erection of a dormitory on the campus of Southern College on such terms as may be agreed upon by the Board of Trustees of Southern College and the Board of Trustees of Anastasia Methodist Assembly, Inc.

W. A. MYRES, *President*.

**Board Missions**—Report Number 1, Board of Missions, was adopted without being read again, having been read before the anniversary meeting of the Board on Friday night. It is as follows:

##### BOARD OF MISSIONS

###### Report No. 1

With profound and humble gratitude your Board of Missions submits its final report for the four years now ending. God, in His mercy, has greatly blessed and guided the Board in its operations, so that we bring to you results which must gladden the heart of our Lord. We have handled a sum of money larger than ever before without the loss of a single dollar, and with practically no dissatisfaction as far as the Board is aware.

We bespeak for the new Board the same measure of loyalty and co-operation that has been given to us. More than this, we could not wish nor could any Board desire more.

###### *General Board Matters*

The Christian Centuries have not written a more glorious chapter than the Missionary story of our church during the past four years. The whole world has passed through a period of unprecedented financial strain and re-adjustment during these four years. All the great mission boards have suffered serious depletion as the result of this financial strain and re-adjustment.

Some of the boards have barely escaped financial disaster. Our own Board has suffered seriously, but thanks be to God, we have been able to carry on in every field without serious retrenchment. It is true, sadly true, that a forty per cent. cut in salaries and in maintenance has had to be made. But our Missionaries and our people in all the mission fields, at home and abroad, have heroically taken the cut and stood by the work.

It now requires about two and a quarter million dollars each year to maintain the missionary work of our General Board. Of this sum about one million dollars had to be raised last year as a Special known as "The Maintenance Special." The General Conference at its recent session made provision for raising this special each year of the next four years during the months of January and February. We feel certain that our Conference will gladly undertake each year its share of this Maintenance Special, and that each year it will write as fine a chapter of achievements as it wrote in the campaign this year.

The General Conference re-organized the General Board of Missions so as to reduce the number of departmental secretaries and the expense of the Board as far as possible. It elected Dr. W. G. Cram to be General Missionary Secretary for our Church during the next four years, and committed to him very large administrative and executive power. We bespeak for him the fullest measure of co-operation.

The representative on the General Board from the Florida Annual Conference is Rev. W. F. Dunkle. The new constitution provides that he shall also be ex-officio a member of the annual Conference Board of Missions and also that the President of the Conference Woman's Missionary Society, the Conference Missionary Secretary, and the Conference Lay Leader shall be ex-officio members of the Conference Board.

The General Conference assessment for Missions each year for the next four years is \$22,868.56 divided as follows: For Home and Foreign Missions, \$21,273.04; for negro work, \$1,595.52; which is approximately the same assessment the Conference carried for the past four years.

#### *Annual Conference Board Matters*

During the period 1922-1926, the membership of our Conference has grown from 48,031 to 58,035, a net gain of 10,004 members. Approximately a twenty per cent. increase. During this time, we raised for missionary purposes, including the Centenary, Specials, and from regular assessments \$410,982.00, not including the moneys raised by the Sunday schools, Epworth Leagues, and the Woman's Missionary Societies.

The Woman's Missionary Society of the Conference began the period with 6,725 members and closed with 8,374 members, a net gain in membership of 1,649. During this period they raised \$369,216.00 or a per capita of \$12.34 annually. For the same period the per capita missionary offering of our church membership was \$3.73 per year. Together the Missionary Society and the Conference raised the Grand Total for Missions of \$780,198.00. We are of the opinion that the Sunday school and Epworth League contributions added to the above would make a sum approximately \$900,000.00, or an average of \$4.00 per capita per year for the past four years.

No Conference in the connection has done better and few have done as well. But even this generous giving has not been sufficient to meet our growing needs. And we have been compelled to see opportunity after opportunity slip away from us in our rapidly developing State. It is a situation that cannot be helped unless a larger revenue can be provided.

*The Centenary*

Dr. W. G. Cram, Centenary Director, for the past four years, and Colonel John E. Edgerton, Treasurer for the past four years, report a total of \$463,100.00 paid by the Florida Conference on Centenary pledges from the beginning, of this amount \$21,264.00 has been paid during the present Conference year, which includes everything paid on Centenary up to June 18, 1926, excepting the payments made by Sunday schools and Epworth Leagues which have been carried as a separate item by the Centenary Commission, which, if added to the above sum would give approximately \$600,000.00 Centenary money raised by the Florida Conference, on a quota of \$632,000.00.

The General Conference of 1926, discontinued the Centenary Commission and placed all Centenary affairs in the hands of Dr. W. G. Cram, Missionary Secretary.

Dr. Ira S. Patterson has been authorized to continue Centenary Representative in Florida Conference, receiving funds with the understanding that only the expense involved will be chargeable to the Centenary. This authority was given by Dr. Cram as of date April 22, 1926.

In view of the fact that there are many unsettled Centenary claims, a number of which were and are in process of settlement, Dr. Patterson has continued the district Centenary representatives until further notice. These will make settlements with individuals and churches in the districts where Dr. Patterson cannot personally attend to the matter, subject, of course, to his approval.

We would urge all our Churches to make final settlement of their Centenary accounts as speedily as possible. Where there is any doubt about the matter, it should be taken up with Dr. Patterson directly.

The following seventy-six churches have settled their Centenary accounts in full or by adjustments

*Mission Maintenance and Florida Special*

Two of our districts, namely: Miami and Orlando, paid largely on "World Advance" just before the Annual Conference of 1925. The fiscal year of the General Board of Missions is from May to May. The fiscal year of the Conference Board was from December to December. This year it has been from December to June 16th. Naturally since the "World Advance" and "Mission Maintenance" were for the same purpose, the question arose, whether these amounts were to be credited on the year 1926. They should be reported as paid on the fiscal year of the General Board for 1925-1926, but the \$30,000.00 to be raised for the General Board and the \$10,000.00 to be raised for "Conference Mission Special" totaling \$40,000.00 come under the head of "Mission Maintenance" only and should belong to the Annual Conference Board year of 1926 only.

On the "Mission Maintenance" and "Florida Special" the following quotas were assumed by the districts and payments on them have been made as follows:

| District           | Quota      | Now Paid   | Bal. on Quota |
|--------------------|------------|------------|---------------|
| Bartow .....       | \$5,000.00 | \$4,237.76 | \$ 762.24     |
| Gainesville .....  | 2,500.00   | 1,837.44   | 667.56        |
| Jacksonville ..... | 4,000.00   | 3,886.35   | 113.65        |
| Miami .....        | 6,000.00   | 5,262.58   | 737.42        |
| Ocala .....        | 6,000.00   | 5,077.38   | 922.00        |
| Orlando .....      | 6,000.00   | 4,790.68   | 1,209.32      |
| Palatka .....      | 3,500.00   | 1,833.31   | 1,666.69      |
| Tallahassee .....  | 2,500.00   | 1,872.50   | 627.50        |
| Tampa .....        | 6,000.00   | 5,095.78   | 904.22        |

Making a total paid \$33,887.78, of this amount \$8,471.94 is for the Florida Special and \$25,415.00 for "Mission Maintenance." Add to this for the General Board \$13,645.41 paid on "World Advance" just before and at the 1925 Annual Conference and we have a Grand Total paid the General Board for their fiscal year of \$39,061.25 to which should be added the \$8,471.94 "Florida Specials." Making a Grand Total of \$47,533.19. Add to this the amount raised this year on the Centenary pledges, \$21,264.00 and we have a total for Missionary Specials during the Conference year 1926, of \$68,798.00, not including any amount paid on regular assessments or raised by Sunday schools, Epworth Leagues and Missionary Societies.

*Administrative Matters*

During the quadrennium, the Board has maintained an average of more than 70 Conference missions making appropriations sufficient to meet the expense of the Pastors serving them. We have also carried on extension work, that is, we have acquired or assisted local churches and district boards to acquire property and begin new work in a large number of places. In a number of these cases, we have also assisted in the erection of a temporary place of worship. This work has been so vital to our Missionary operations in Florida that to discontinue it or to curtail it would be disastrous, if not fatal. There is immediate demand in scores of places for a considerable outlay at once in order that we may enter fields which, if not entered speedily, will be entirely lost to us.

It requires more than \$4,000.00 a month to meet our pay-roll and this sum will have to be considerably increased during the Conference years 1926-27, if we are to meet our opportunities and our obligations in Florida.

The ending of the Centenary will, of course, bring to an end the 10% which we annually receive from that source. During the four years just ending, we have not only had the 10% from the Centenary but each year the Conference has granted us the privilege of raising a Special to supplement the receipts from the regular assessments and from the Centenary.

In view of the above fact, we recommend:

1. That in addition to the regular assessment, the Board be authorized to add to the General Conference "Missionary Maintenance Special" a sum equal to the General Conference "Missionary Maintenance Special" to be raised at the same time and in the same manner each year; so that annually one-half of the "Missionary Maintenance Special" will be paid into the Treasury of the Conference Board to be used exclusively for extension work in the Florida Conference.

2. That churches, Sunday schools, Missionary Societies, Epworth Leagues, Wesley Brotherhoods, and individuals be authorized to undertake the special support of any missionary or missionary work under the direction of your Conference Board on the same basis that General Conference Specials are undertaken.

3. That in order that a full statement of all moneys raised in our Conference for missionary purposes may be set out in the minutes of our Conference, district boards, Sunday schools, Epworth Leagues, Missionary Societies, Wesley Brotherhoods and all individual contributions, be reported to the annual Conference Board of Missions to be inserted in the minutes in the Grand Total raised for Missionary purposes.

4. That Dr. Ira S. Patterson be appointed Treasurer of the "Missionary Maintenance" fund and of all Specials as provided for in recommendation 2.

5. That no local or district financial enterprise may be coupled with the "Missionary Maintenance" campaign.

We desire to recognize and to have the Conference recognize the unexcelled efficiency of our Conference Missionary Secretary, Dr. Ira S. Patterson. No Conference in the connection has been more efficiently or more abundantly served by its Conference Missionary Secretary than has the Florida Annual Conference. We recommend that the Bishop appoint as Conference Missionary Secretary for the ensuing year, Dr. Ira S. Patterson.

W. F. DUNKLE, *Chairman*.

C. E. GUTTERIDGE, *Secretary*.

**Sunday School Board**—Report of the Sunday School Board was read by Rev. G. F. Scott. The report was adopted. It is as follows:

Your Sunday School Board begs leave to submit the following report:

In reviewing the work of the quadrennium, your board is very much gratified at the progress made. We note, first, a large increase in attendance in our Sunday schools, a phenomenal increase in the liberality of our people as expressed in their offerings. In per capita offerings for all Sunday school causes, our Conference leads by far any other Conference in the Church.

Second. The growing spirit of co-operation and good-will of presiding elders, pastors, Sunday school workers and other friends who are interested in the development of Christian character.

Third. The development of a large force of volunteer district and sub-district workers who are giving largely of their time and efforts in assisting the Board in extending its work to reach every school in Conference.

Fourth. The work of leadership training has been a most vital influence

in the development of the work. Thirty standard schools have been conducted and many trained classes. Through all agencies, nearly four thousand standard credits have been issued and a very large part of the Sunday school constituency has been reached that have not done credit work.

Fifth: In all endeavors of the Board as workers great emphasis has been placed upon the evangelistic opportunity of the Sunday school and the importance of bringing our people into a vital consciousness of God through worship.

We recommend for your endorsement the actions of the Sunday school Board, as follows:

First. The election of F. M. Williamson as Conference Superintendent of Sunday school work and Miss Hester Douglas as Asst. Conference Superintendent with special charge of elementary work.

The election of Rev. G. W. Hutchinson as Extension Secretary and recommend that Bro. Hutchinson, who is a member of the Conference, be appointed to this position by our Presiding Bishop.

Second. The endorsement of the plans of our General Sunday school Board for the promotion of week-day religious instruction. We urge the co-operation of our people in the promotion of this phase of our work wherever practicable.

Third. The development of a large force of volunteer district and sub-the Wesley classes through the Conference Federation and other Agencies. The co-operation of all Sunday school workers is solicited making the Federations a success this Fall. The deepest appreciation of the Board is expressed to Mr. James A. Bunch, President of the Federation for the large amount of his own time and money that he has so freely expended this year in assisting the Board in this work.

Fourth. In the efforts of the Board to place our literature in all the schools of the Conference and the use of only such song books as are approved.

Fifth. The Board commends the work of the Conference Superintendent in editing the Sunday school page in the Advocate and we request that a united effort be made to give the Advocate a wider circulation and a wider reading.

Sixth. We especially call your attention to the Conference Summer school at Southern College, Aug. 30 to Sept. 10, and earnestly urge all the Pastors, Sunday school and church workers to attend.

Seventh. We recommend an assessment for Sunday school work for the coming year of \$10,000.00, the same as last year, with the increase of 20% as voted by the Conference.

Your retiring Board expresses its appreciation for the excellent support and fine spirit of co-operation which it has received from Conference. We bespeak for the incoming Board the same spirit of co-operation that they may be able to render the most efficient service possible. We assure the Conference that helpful suggestions and criticisms will always be welcome. May your prayers continue to accompany us in our efforts to advance the kingdom of God through this great agency of the Church.

Respectfully submitted,

S. D. HARRIS, *President.*

G. F. SCOTT, *Secretary.*

**Order of the Day**—The time having arrived for the order of the day, which was to consider the report of the Hospital Board, that

matter was taken up. After extended discussion, the report was re-committed in order to make its recommendations more definite.

**Resolution regarding records of Fletcher Trial**—Dr. Dunkle reported regarding a matter referred to him and Dr. Patterson, relating to certain records used in the trial of W. G. Fletcher some years ago. The resolution offered by Drs. Dunkle and Patterson was adopted, and is as follows:

#### A RESOLUTION

WHEREAS, Rev. W. G. Fletcher was, some years ago, tried and acquitted by the Florida Annual Conference of certain charges brought by Dr. W. W. Pinson, the then Secretary of the Board of Missions; and

WHEREAS, certain of the papers which were and are a part of the record of that trial were loaned by the Conference to Dr. Pinson and the Board of Missions; and

WHEREAS, it has come to the knowledge of the Florida Conference that these papers which are the property of this Conference have been published and circulated without the knowledge or consent of the Florida Conference; therefore,

*Resolved*, that this Conference demand of the general Secretary of the Board of Missions the return of all of the papers in the possession of the Board which belong to the Florida Annual Conference.

Second, that the Secretary of the Conference communicate to Dr. W. G. Cram this resolution and demand the return of these papers.

W. F. DUNKLE.

IRA S. PATTERSON.

**Resolution**—Dr. Cooper introduced a resolution regarding interchange of territory with the Methodist Episcopal Church in the State of Florida, which was adopted as follows:

#### A RESOLUTION REQUESTING THE APPOINTMENT OF A COMMITTEE ON FRATERNAL RELATIONS AND EXCHANGE OF TERRITORY WITH THE ST. JOHN'S RIVER CONFERENCE, METHODIST EPISCOPAL CHURCH.

WHEREAS, the bishops, in their address to the last General Conference express the desire of our church for continued and closer fraternal relations with the Methodist Episcopal Church, in harmony with our long established and frequently expressed policy; and

WHEREAS, the General Conference continued and reconstituted its Committee on Exchange of Territory with the Methodist Episcopal Church; and

WHEREAS, both the Methodist Episcopal Church and Methodist Episcopal Church, South, have large and growing work in Florida; and

WHEREAS, there is acute demand in each Church for the strictest economy in the use of missionary and church extension money; and

WHEREAS, in Florida there is great and urgent demand for Episcopal Methodism to enter and occupy the many new communities which are springing up in our midst almost over night, in order that Methodism may not lose its place of primacy among the evangelical Protestant Churches; and

WHEREAS, only by fraternity and co-operation can over-lapping and wastefulness be averted and the primacy of Methodism be assured; therefore be it

*Resolved*, (1). That a Committee on Fraternal Relations and Exchange

of Territory, auxiliary to the General Conference Committee be appointed by the Florida Annual Conference to meet a like Committee from the St. John's River Conference;

*Resolved*, (2). That the Committee consist of the Bishop presiding over the Florida Conference, three traveling preachers and three laymen;

*Resolved*, (3). That the Committee be given full power in the matter of over-lapping and wasteful competition, and in fraternal relations, subject only to the Quarterly Conference and the General Conference Committee to which it is auxiliary, provided no property can be exchanged without the approval of the Annual Conference;

*Resolved*, (4). That one preacher and one layman be appointed to officially notify the St. John's River Conference of the passage of these resolutions and to bear to those brethren our fraternal greetings.

**Lay Activities**—The report on lay activities was read by Douglas Bailey, which was adopted, involving the election of the Conference lay leader and three associates, named in the report which is as follows:

We, the lay organization, do hereby submit the following report:

We nominate L. P. McCord for Conference Lay Leader with three associates, viz: T. T. Turnbull, for the north end of the State; Judge Geo. Tedder for the East Coast and Douglas Bailey for the West Coast.

As a number of Wesley Brotherhoods have already been organized in the various districts with even a larger number contemplated, we suggest that the Presiding Elders and Pastors co-operate with the district and charge lay leaders in promoting Wesley Brotherhoods in every church in the Conference.

We suggest, also, that the Presiding Elders and Pastors include in their reports work done by the lay organizations and Wesley Brotherhoods the same as other branches of church activity.

Respectfully submitted,

DOUGLAS BAILEY,  
T. F. ALEXANDER,  
L. F. VAUGHT.

**Afternoon Session Called**—A motion was passed that when we adjourn, we adjourn to meet at 3:30 this afternoon.

**Board Missions**—Dr. Dunkle read the report number 2, Board of Missions, for information. There being a possibility of changes, the report, which is not a matter for Conference action, was withheld until later. It is as follows:

#### BOARD OF TRUSTEES, FLORIDA CHRISTIAN ADVOCATE

We, your Board of Trustees offer the following recommendations:

1. We heartily commend the faithful service of Rev. I. C. Jenkins as Editor of the Florida Section of the Florida Conference Edition of the Christian Advocate and we recommend his reappointment as Editor in connection with his work as pastor.
2. That we continue our present contract with Lamar & Barton for continuance of the Florida Conference Edition of the Christian Advocate.
3. That we make the assessment for the Advocate \$6,000.00, with which to underwrite the expenses connected therewith.
4. If the assessment for which we have asked is granted we propose to offer Scholarships in Southern College in a subscription contest as follows: \$450.00 to the District securing the highest list of subscriptions; \$225.00 to the district securing the second largest list; \$150.00 to each of the three districts having the next three largest lists, and \$100.00 to each of the other districts, provided in every case the total number of subscribers in each district has reached a quota equal to one subscriber for every ten members of the church in the district, using as a basis the reports to the Annual Conference for 1926 as recorded in the minutes of said year.
5. The price of the Advocate is \$2.50 and all who take subscriptions are urged to collect said amount for it. A commission of 50 cents is offered to

those who secure subscriptions. With this arrangement in connection with Scholarships offered will make it possible for a number of our ambitious young people to attend Southern College. Every pastor and presiding Elder is urged to organize throughout the Conference and secure these Scholarships.

Respectfully submitted,

A. C. MCCALL, *Chairman,*

HOLMES LOGAN, *Secretary.*

Rev. A. F. Turner presented a handsome bouquet of flowers to Miss Marie Kaigler, who had served five years in the capacity of secretary to the Secretary of Christian Education movement, as an expression of appreciation on the part of certain members of the Conference for her fidelity.

**Announcements**—Adjournment with benediction by S. W. Walker.

### FIFTH SESSION—SATURDAY AFTERNOON

Pursuant to motion, the Conference convened Saturday afternoon at 3:30. I. S. Patterson in chair, by the appointment of the Bishop. The opening hymn was 393. E. J. Gates led in prayer.

**Minutes Approved**—Minutes of the morning session were read and approved.

**Hospital Report**—S. D. Harris read the revised report of the Hospital Board, which was adopted as follows:

The following churches have taken enrollments on the Golden Cross Society:

|                                 |          |
|---------------------------------|----------|
| Lakeland First Church .....     | \$ 40.00 |
| Jacksonville First Church ..... | 308.00   |
| Stuart .....                    | 30.00    |
| Branford .....                  | 5.00     |

If other churches had done equally as well, the results would have been gratifying. The last General Conference made it the duty of the Bishop in charge to inquire into the work of the Golden Cross in the annual Conference; made it the duty of the Presiding Elder to inquire into the work of the Golden Cross in the District Conference and at the Third Quarterly Conference; and made it the duty of the Pastor to call for reports from the Golden Cross at the Church Conference. The Pastor must appoint a Golden Cross Director and the Presiding Elder must see that this has been done by the Second Quarterly Conference. The Pastor and the Golden Cross Director must select and organize a Golden Cross Committee which shall direct the Golden Cross enrollment.

We call attention to the fact that the week including the second and third Sundays in May has been made Enrollment Week for the entire Church, but we recommend that in our Conference enrollment week shall include the two Sundays following Thanksgiving Day.

The Board gave careful attention to the following offers from cities and communities desiring a Methodist Hospital:

First. An offer from W. R. Hodges, Cedar Keys, proposing to give one block of city property valued at \$15,000.00.

Second. From W. M. Fowler, Cedar Keys, offering 50 acres valued at \$50,000.00.

Third. From G. A. Boyd, of Bronson, offering 50 acres of land valued at \$5,000.00.

Fourth. From White Springs, offering 30 acres near the spring and \$50,000.00.

Fifth. From Hollywood, offering a six-acre site and \$300,000.00.

Sixth. There were good prospects in other cities, but no mention here of them, as no definite propositions were presented to your Board.

In order that these offers may be carefully analyzed, sites inspected and that due consideration be given, we recommend that you pass the following resolutions:

First. That the newly elected Hospital Commission be authorized to receive these and other offers; and to decide what, if any, action shall be taken. This commission is hereby empowered to do any and all things necessary for carrying out the intentions of this resolution, including the acceptance of deeds of property contracting and being contracted with and doing any and all things necessary for the location and building of the Florida Conference Methodist Hospital, provided: That before any location is finally decided upon, or accepted, the Commission shall notify the Bishop that they are ready to act and on receipt of that notice from the Secretary of this Commission, the Bishop shall call together at some convenient time and place, the chairman of all Conference Boards and the Presiding Elder of the Conference. And this body, together with the Commission, is hereby given full and final authority in the location and building of the Hospital as contemplated by this resolution.

Second. That the Hospital Commission is hereby authorized to employ an Executive Secretary to carry out its decisions and to raise a sum of \$200,000.00, more or less, for the Hospital enterprise.

Third. That the Commission on Budget is hereby requested to include in the Conference assessments the sum of \$7,500.00 to cover the expenses of the Commission; the incidental expenses of the Conference Hospital Board (not to exceed \$150.00); and the salary and expenses of the Executive Secretary.

Fourth. That the Hospital Commission shall meet as early as possible for organization and shall set the earliest reasonable date for hearing the Representatives of the various Committees.

#### *Report of General Secretary*

Dr. C. C. Jarrell, General Secretary, was before the Board and made his report which was very gratifying. The Board as a whole appreciates the co-operation of Dr. Jarrell in this great and glorious work. He is doing a wonderful work throughout the connections. His fellowship and brotherly advice has been a great help to us.

J. D. SIBERT, *President.*

L. E. WRIGHT, *Secretary.*

**Temperance and Social Service**—Report number two, Board of Temperance and Social Service, was read by C. W. Crook. W. A.

Myres, W. J. Carpenter, and F. L. Crowson spoke to this report. The report was adopted, as follows:

Section 1—Social Service—We urge again the importance of the social creed of our church. We call attention to Paragraph 533, page 251, of our book of discipline.

We are glad to note the growing interest in social service in our church as evidenced by the Junaluska Conference, by the Social Service work of the Women's Missionary Society, Epworth Leagues, Sunday Schools and Wesley Brotherhoods.

We favor the outlawing of war. War is now the legal and organized method of settling differences between nations and has its rules and code. We wish to substitute for the code of war some code of law. We care not by what name this law may be called. Blessing upon any one who can help to staunch this open and bleeding world wound of war. The progress in this direction constitutes the greatest advanced movements of the year.

Despite a nation-wide crusade the crime wave continues unabated. In many cases criminals and officials have been found to work in harmony. Thinking men are becoming more and more alarmed for the safety of our ideals and institutions. The enemies of temperance continue to charge the crime wave to the eighteenth amendment. However among the fourteen causes of crime listed by the experts, prohibition is not named. In our opinion the causes are not far to seek. A corrupt comic section reach the eye of the youth in characture of home and parents. The moving picture takes up the lesson of elicit love, bold bandits, bad men and women, wine and wealth without labor or sacrifice. Everywhere the home and the church is subjected to ridicule and God is but a word to use in profanity. The Sabbath is nowhere regarded save as a day of play. We cannot continue to disregard these things without destroying the foundation of our nation. Here is the next great conflict to which the church is called.

Race Track Gambling—In spite of our utmost effort race tracks for dogs and horses have continued to do business in our state to our great disgrace and financial hurt. The matter has just been brought to the Supreme Court of Florida and rest there for final decision. Should the Court uphold the law race track gambling is forever dead in Florida. Should the law be set aside our disgrace will be complete and no one can foresee the end of the evil. Knowing the dignity of the Supreme Court and the character of its judges we can rest the case with them. Till the decision comes, let all of our people watch and pray.

#### SECTION II

WHEREAS, The most adroit movement has been launched by those opposed to prohibition, headed by Senators Edge, Edwards, Reed and Congressman Hill and others, and

WHEREAS, The enemy has made a full statement of their program which includes legalizing wines and beer and repealing the eighteenth amendment, and

WHEREAS, The enemy is attempting to deceive the people by the oftentimes repeated and ever recurring statement that they have no desire nor design for the return of the saloon, and

WHEREAS, State referendums on national prohibition are being called in New York, Maryland, Illinois and other states and while these referendums

have no legal status, it behooves us to remember that they are effective vehicles for wet propaganda and tend to unsettle those prohibitionists who are weak in the faith, and

WHEREAS, These manifestly dangerous conditions threaten the strongholds of our defense of constitutional prohibition, Therefore be it

*Resolved:* That we should fully recognize and squarely face the fact—that if wines and beer are legalized and the eighteenth amendment repealed saloons would return in greater numbers than before, and that the wreckage of the great destroyer would be incalculably greater, because of the greater population and greater prosperity of our country, and that, with the increased thousands of drunken drivers, automobiles and trucks upon the busy streets of our cities and the crowded highways of our nation would become veritable engines of destruction and carnage equal to, or greater, than war,

Second. That a campaign of Christian Temperance education fully adequate to the emergency should at once be launched.

Third. That our church should continue to ring out the clear message of Temperance and sobriety, through the pulpit, the Sunday schools, Epworth Leagues and Social Service committees.

Fourth. That we commend the earnest efforts of the Anti-Saloon League and the Woman's Christian Temperance Union and call upon them to redouble their diligence and effectiveness in spreading prohibition propaganda unerringly and incessantly in every corner and in every center of this state; to encourage law observance by the people and law enforcement by the officers, and to guard the doors of Congress and the State Legislature against any one who would destroy our constitution, or the amendments thereto, especially the eighteenth amendment.

Fifth. That we hereby memorialize the editors of our graded Sunday school lessons to continue the quarterly temperance lesson so that our children will be taught the truth concerning the evils of alcoholic liquors and the fearful destructiveness of drink.

W. A. MYRES, *Chairman,*

E. WATT SMITH, *Secretary.*

**The Conference Relations**—The Committee on Conference Relations presented its report through W. J. Palmer, which was adopted. See "Our Honor Roll."

**Preachers Relief Fund**—Report of the Preachers Relief Fund Trustees was read by A. M. Daiger. The report, filed for information, was as follows:

The Board regrets that on account of the briefness of the Conference year, and the time of payment of interest on loans of our endowment fund falling due in December, we have had very little money at our disposal at this time. Also, the need of urgent repairs on our superannuate parsonages has absorbed about all the funds at hand. Therefore, we have been unable to comply with several requests for aid, that otherwise we would have been pleased to grant.

In compliance with the resolution adopted by this Conference in Session in December last, we are planning a Thanksgiving Day offering by every Church in the Florida Conference for the relief of the "Forgotten Man."

D. J. MASON, *Secty. Pro Tem.*

Bishop Dobbs took the chair.

**Board of Missions**—W. F. Dunkle read parts of reports two and three, Board of Missions, and that part which required adoption was adopted. The remainder was filed for information.

This Conference year of only six months has not been as fruitful in our evangelistic work as we had hoped. Some of our evangelists have been sick and other conditions have arisen by which the effectiveness of the work has been hindered, but your Board is still of opinion that the appropriation to evangelistic work in the Conference is profitable and we are appropriating the sum of \$4,000.00 to be used this Conference year.

The committee on evangelism of the Board has required quarterly reports from the evangelists, indorsed by the board and will tabulate the same for publication in the minutes of the Conference. These reports to be made to Dr. S. W. Walker, Chairman of the committee. We are hoping to make the committee of evangelism a clearing house for evangelist work in the Conference and we invite the preachers to consult with the committee and call on the committee for any sort of service that they can render in making our evangelism most effective. We desire to keep before the Conference the work of our evangelists in the Florida Advocate and we can only do this by reports which indicate what they are doing.

The Gospel of Jesus Christ is effective in the salvation of souls and men called to this work ought to be men of clean hands and a stirred heart.

We recommend for appointment as Conference Evangelists, L. B. Simpson, and F. L. Crowson without salary.

We endorse as evangelists, P. K. Rowell, H. L. Ezell, A. D. Buck, J. I. Whitworth, S. A. McCook, W. H. McLeod, J. B. Culpepper, Sr., F. P. McCall, and John M. Watts.

We recommend for general evangelists, J. B. Culpepper, Sr., F. P. McCall, and W. H. McLeod.

W. F. DUNKLE,  
C. E. GUTTERIDGE.

**Christian Literature**—The report of the Board of Christian Literature was read by Thomas Williams, and was adopted.

We, the Board of Christian Literature in session feel, as a whole, that we should express our thanks to the Editor of the Florida Christian Advocate for his discriminating editorials, stimulating news items, and inspiring departmental pages and in appreciation thereof we wish to urge all pastors and laymen having news items worth while to send them in promptly to him.

We request that in order to give more space for news items the Presiding Elders' rounds be published only twice each quarter.

We wish, also, to ask you to join with us in expressing our appreciation to Lamar & Barton for their generosity to us and for the attractive arrangement of the Florida Edition of the Advocate.

We wish to call attention to the authentic reports coming to us from other Conferences as to our successful solution of the Advocate problem in the combining of the Conference organ with our general organ.

We especially recommend that our preachers and Christian laymen speak out against the circulation of pernicious literature which is undermining the spiritual lives of many of our people, much of such literature published today being so vile that it is unfit for circulation through the mails,

And we wish further to urge the pastor and his committees on circulating Christian literature to be most diligent in trying to place the Advocate, Voice, Era and Methodist Laymen in the homes of our people.

We also wish to commend Lamar & Barton for their splendid showing in accrued profits from our Publishing Houses and bespeak the continued patronage of our people.

THOS. WILLIAMS, *Chairman*,  
MRS. P. N. KING, *Secretary*.

**Board of Finance**—Dr. Cooper, Chairman of the Board of Finance, presented the report of the Board of Finance. The report was adopted as follows:

We, your Board, wish to report that we have again paid all claimants on the Board monthly in advance on the first of each month. The average paid the superannuates on the basis of a twelve months year was \$540.00, and to the widows, \$410.00. These are the largest amounts that have ever been paid by your board.

We are pleased to report that there have been no deaths among the claimants or any of the members of the Conference during the year. By reason of her marriage, Mrs. J. L. Moon is no longer a claimant on the Board. We extend to Mr. L. D. Child our heartiest congratulations and wish for them both a long, happy and useful life.

The usual check from the Publishing House has not come in, owing to the change in the date of the Conference. We are informed, however, that it will only be about 60 per cent. of last year's. We hope our preachers will buy and read more books the coming year.

Dr. Cooper, president of the board, has been quite active in the interests of the work during the past year. He attended several of the District Conferences and did valiant work for the Endowment Fund. We feel that his efforts materially aided in placing Florida Conference in the first place on the percentage of her quota raised during the first two years. Owing to a short year this year we are likely to lose this enviable position unless the brethren make a very great effort during the next year. We trust that all will endeavor to report 100% for four years at the next Conference.

Your board was signally honored by having its president selected as a member of the General Board of Finance.

Your Board received a check from the General Board of Finance for \$2,297.36 from the superannuate Endowment Fund and the J. P. Anderson Memorial fund held in trust for us by them. You will note that this is an increase of about \$1,400.00 over last year. If the preachers will press the Superannuate Endowment Collections during the coming twelve months

we will secure more than \$4,000.00 from this source at the next Conference.

The Conference Treasurer's books were audited and found to be in excellent shape.

Respectfully submitted,

W. A. COOPER, *President*,

FRANK T. WILSON, *Treasurer*.

### APPROPRIATIONS

The Florida Conference Board of Finance announced the following appropriations to the claimants for 1926-27. These will be paid in advance, monthly, on the first of each month.

**1927 Session**—It was ordered that a committee of five be appointed and empowered to arrange for the location of the next session of the Annual Conference. The Bishop announced the following committee: S. W. Walker, I. C. Jenkins, L. M. Spivey, E. B. Walthall and T. F. Alexander.

**Methodist Foundation**—The Secretary read the report of the Trustees of the Florida Methodist Foundation, which was adopted as follows:

The Board of Directors of the Florida Methodist Foundation makes the following report:

Conditions which have prevailed in the State since the last session of the Conference have been such that it has not been possible for this Board to make any decided progress towards securing the funds necessary for the building program at Tallahassee and Gainesville.

The need for these institutions becomes greater with each passing year, and if our church is to hold to her own young men and young women, the Methodists of Florida must be behind this movement and make it succeed.

The members of the Foundation extend to Dr. W. A. Cooper their sincere thanks for the great interest he has shown in the work and the effort he has

made to advance the work of our Church in State Institutions of Learning.

We ask that the Conference re-elect the following, whose term of office expires with the Conference:

W. A. Myres, Nathan Mayo, W. B. Harbinson, T. T. Turnbull.

We also recommend the appointment of Rev. A. B. Austin as Student Pastor at the University of Florida.

H. A. SPENCER, *Pres. Pro Tem.*

J. B. GAME, *Secretary.*

**Florida Conference Brotherhood**—The report of the Florida Conference Brotherhood was presented by Rev. H. E. Partridge, and is as follows:

The Florida Conference Brotherhood is glad to state to the Conference, for information, that this fine and most brotherly benevolence is in excellent condition. We have now a reserve fund of something over \$2,000.00; a standard checking account for immediate use in paying promptly its benefits; and has fixed the amount of death benefit at \$800.00. Our membership embraces a majority of the Conference, and over 200 laymen as associate or contributing members. During the last twelve years we have increased our benefit from \$300.00 to \$800.00. Had the numbers of the Brotherhood brought this needed benevolence to the attention of our people and enlisted them in it we might have secured at least \$1,000.00 and increased the benefit to \$1,000.00. We therefore urge that every preacher join us in an earnest effort to enlarge our membership.

H. E. PARTRIDGE, *President.*

**No Trial Necessary**—The Committee appointed to investigate certain rumors regarding the conduct of B. T. Rape reported that they had made full investigation and that they found no trial necessary.

**Resolutions**—The Secretary introduced Mrs. W. C. Fountain, who presented on behalf of the Preachers' Wives' Aid Circle, the following resolutions of thanks:

We, the Preachers' Wives' Aid Circle and other visiting ladies, express our profound appreciation and hearty thanks to the pastor and ladies of Frost Church, St. Petersburg, for their splendid hospitality and kindly consideration of our comfort and pleasure during the session of the Annual Conference.

MRS. W. A. COOPER, *President,*

MRS. I. S. PATTERSON, *Treasurer,*

MRS. W. C. FOUNTAIN, *Secretary.*

**Treasurer's Report**—The Secretary read the report of the Conference Treasurer, which was filed for information. It is as follows:

J. B. Rooney was placed on the Board of Missions in the vacancy caused by the resignation of F. J. Patterson.

Question 21 was called and the following names were called, their reports heard, and their characters passed, L. Oser, D. Carrera, R. Paula, F. Sanz, L. Monteleone, R. Jimenez and G. Perez.

The name of B. T. Rape was called, and his character was passed.

**Board Church Extension**—The report of the Board of Church Extension was presented by B. D. Bourn, and was adopted by the Conference.

Your Conference Board of Church Extension notes with gratification the great progress being made in building new churches and parsonages. It desires to give its encouragement and aid to all these prospects as far as possible. Last year the Board was able to grant all applications in full, but this year the askings are so much greater than its resources that it is impossible to do this. It is regrettable that this Board has not a much larger donation and loan fund with which to aid their worthy applicants.

The Conference Loan Fund capital amounts to \$13,032.00.

The assessments for the General Board for 1926-'27 is \$4,866.00. The assessment for the Conference Board is \$9,000.00; for the J. C. Ley Fund, \$1,000.00.

Grants made on application at this meeting of the Board are as follows:

**Bible Board**—The report of the Bible Board was read by R. A. Selby and was adopted as follows:

The Bible Board of the Florida Conference assembled at the First Methodist Church, St. Petersburg, submits the following report:

Knowing the Bible to be the inspired word of God and the same having been given to the world as a guide to faith and practice, we heartily commend its reading to all men which may make them wise unto salvation.

We believe the circulation and reading of the Holy Scriptures should be increased and, therefore, commend the American Bible Society and any other Agencies that may be working for its distribution to the betterment of the whole human race.

Considering the pre-eminent place that the Bible occupies in the minds of those who read it, we as a Board, request all our Pastors to do all in their power to cause our people to spend more time in reading the same.

J. W. JACKSON, *Chairman*,  
R. A. SELBY, *Secretary*.

**Epworth League Board**—The report of the Epworth League Board was read by J. E. Hartsfield, and was adopted as follows:

The Conference year, just past, gives evidence that the work of the Epworth League is contributing much to the power and progress of our great Church. Under the supervision of consecrated young leadership real progress has been made. Not only in the enlistment for definite Christian service, but although there was a financial deficit on our records in the beginning of the quadrennium, now we note a surplus.

Not only is the Epworth League meeting its financial obligations, but we note with gratitude that additional missionary achievements may command prayerful consideration.

However, in spite of the fact that the financial needs of the day are pressing upon us, and our young people being able to meet these needs, it is the desire of your Board that spiritual fire will continue to burn upon the altars of our Church. Through all evangelical agencies at command we encourage the proper expression of faith in Christ from the hearts of the young life.

According to the reports of the annual Conference of 1925, there were 308 chapters with a membership of 9,623. This Conference reports 298 with a membership of 9,214. This represents a remarkable increase for the quadrennium.

We solicit the co-operation of the pastors in every charge in giving their influence to the advance march of this great army having become great because of full consecration to important tasks, splendid vision of the needs of their Master's kingdom, and the mighty achievements blessed of the Lord.

We wish to call the attention of this Conference to the Epworth League Assembly in Bradenton, July 5-9. Plans have been made to make this an outstanding session.

We, your Board, gratefully ask for an assessment of \$2,000 for the coming year.

Respectfully submitted,

W. J. CARPENTER, *Chairman,*

J. E. HARTSFIELD, *Secretary.*

**Sabbath Observance**—L. B. Overstreet read the report of the Committee on Sabbath Observance, which was adopted as follows:

WHEREAS, one of the leading causes of the lack of Godliness among the people of the world, and of the lack of spirituality among the members of the church, is a laxity in observance of the Christian Sabbath; and,

WHEREAS, the rules of our church prohibit the profaning of the day of the Lord, either by doing ordinary work therein, or by buying or selling; therefore, be it,

*Resolved*, by the Florida Annual Conference now in session at St. Petersburg that, as leaders in the church, the members of this Conference should help correct this evil:

First. By abstaining from those forms of Sabbath profanation which are commonly indulged in by professing Christians, such as the buying and selling of gasoline, oils, and automobile accessories when such buying and selling is not absolutely necessary; the buying or selling of cigars, tobaccos, cool drinks, candies, and the Sunday newspapers.

Second. By showing to the whole membership of the church the evils arising from the profanation of the Sabbath, and enlisting the whole membership of the church in a crusade against it.

Third. By working in conjunction with the membership of other evangelical churches in a campaign to enforce the present laws of the State of Florida, which laws, if enforced, would protect the Christian Sabbath from undue profanation.

L. B. OVERSTREET, *Chairman*.

W. R. HOWELL.

*Report No. 1 Board of Missions*—Report No. 1 of the Board of Missions was read by C. E. Gutteridge and was as follows:

#### REPORT NUMBER 1. BOARD OF MISSIONS

To, The Florida Annual Conference in Session, First Church, Jacksonville, Florida, June 15th, 1927.

Dear Brethren:—The past year has been climactic in international Missions. The spirit of "Nationalism" has affected us, in Mexico and China especially, and somewhat in other fields.

Add to this, disasters by flood, storm, and bank failures at home, and increased demands upon Mission Funds resulting from these, we have to report financial problems, and ask for special consideration and effort, upon your part, to meet them. Amidst the clouds mentioned, "lights have shone," beams of heroic sacrifice, and unselfish love, expressed in gifts of service and self-denying material donations, have turned these disasters into back grounds—that the more clearly revealed the Christian spirit of our Ministers and laity. The slogan of each, written in deeds, not words, has been: "As Much as in Me Lieth." And with this spirit we have "met and overcome."

#### THE DEBT OF OUR GENERAL BOARD OF MISSIONS

January 1st, 1926, our indebtedness was \$1,658,541.11; December 31st, the debt stood at \$783,952.11, having been reduced \$874,589.00, or more than half. \$520,000 of this has been financed by a loan on the Lambuth Building, which will be paid in fifteen years from the earnings of same. Of the remainder, \$123,952 is due on Inter-Departmental Obligations, leaving amount due banks \$140,000. The Inter-Departmental Obligations will be met in the regular course of operating expense, so that our General Board is confronted with only \$140,000, which should be realized from delayed payments on Centenary obligations or pledges.

#### MAINTENANCE OF GENERAL BOARD

The askings of the General Board for their work in 1928 is \$1,393,000, or \$110,000 less than for 1927. Dr. Cram, General Secretary, reports cash from February Free-will Offerings, \$439,861.98, with pledges sufficient to make it \$750,000. Florida has remitted on Maintenance to J. F. Rawls, Treasurer, \$18,370.73, and on Centenary Net \$1,928.80, making the total specials from Florida Conference \$20,299.53.

A printed report by our Missionary Secretary who is also Treasurer of these funds for our Conference, giving receipts from Churches or Charges on Maintenance and Florida Mission Special, Centenary, and Storm Relief, will be distributed. We here report only by Districts to June 8th, 1927.

*Florida Storm Relief*—Only those living and having ALL their material resources within the Storm Area, can estimate fully the extent of damage by the storm. Fortunately, your Board had a reserve fund, which while quite limited was immediately available for use in aiding our pastors and people, and the ready response to the call of your Board and Officials enabled us, through the generous co-operation of our General Board of Church Extension, to repair or rebuild damaged and destroyed property within this area, where the need was immediate and urgent.

Your Conference Board, expended as a Sustentation Fund for Preachers in the storm area, \$9,464.74. One Thousand of which came from the Church at large, through our General Board of Missions. Thirty Ministers were helped.

We expended on building and repairing nineteen parsonages, \$12,505.00, and on twelve churches, \$12,575. Expense, \$70.89.

You will note that we received from Florida churches \$20,130.16, and balance from Reserve Fund, less \$1,000.00. From church at large.

Total your conference board expended storm relief, \$37,644.00.

*Mission Extension Work*—We have helped by donation or loan as follows, for lots, churches, etc, by districts, including a few items contained in Storm Relief and paid for out of Emergency Fund.

The full expense of this work for Salary, Rent, Office and Board Expense has amounted to \$7,167.14, or, 7¼ % on Business Done.

*The New Law of an "Every-Member Free-Will Offering"* for maintenance of our General Work, to be had each year in January-February, embracing a Missionary Educational Campaign, has had its first try-out this year.

Our General Board considers it successful, especially in its educational results. In the Florida Conference Districts it was so, where our Leaders put themselves wholeheartedly into it, and really made an "Every-Member" Effort.

The Tallahassee District put it over in Every Charge; the Miami led in the amount of money raised during this period. The printed report reveals one error, for which a prize of one dollar is offered the first person discovering same.

We had an objective of Sixty Thousand dollars for Maintenance and Florida Special. We have fallen short of the Thirty Thousand we sought for General Board, some Ten Thousand Dollars, and about Eighteen Thousand on Florida Special. We hope for better results this coming year, and ask for the co-operation of each Presiding Elder, Pastor and Layman, to make it so. This year's results are really thrilling, when we consider the difficulties overcome, and the sacrifices made.

We therefore resolve:

First. That we will enter heartily into all the educational and spiritual phases of the missionary cultivation campaign in January and February.

Second. We assume and pledge our best efforts to raise as a free-will offering for Missions, during the coming year, the amount of \$40,000.00 as our share of the amount needed by the General and Conference Board, same to be divided equally between the said Boards.

Your Board makes the following recommendations:

First. That the presiding elders name the dates for their district missionary institutes as provided in the Discipline, in consultation with the Conference missionary secretary, before they leave this Conference, and that these dates be set during the month of January, and further, that they see that the names of church missionary secretaries be sent to the Conference missionary secretary.

Second. That Dr. Ira S. Patterson be appointed Conference Missionary Secretary.

Respectfully submitted,

S. W. WALKER, Chairman.

C. E. GUTTERIDGE, Secretary.

Dr. Elmer T. Clark spoke in the interest of Missions and was followed by Dr. Ira S. Patterson, Conference Missionary Secretary. The Bishop also made a few very complimentary remarks regarding the accomplishments of the Florida Conference during the past year. The report was then adopted.

*Presiding Elders Report* — Under Question No. 21, the names of the following presiding elders were called, their characters were passed and they made reports of the work in their several districts for the year past: M. H. Norton, Bartow District; H. J. Haeffinger, DeLand District; C. H. Summers Gainesville District; G. S. Roberts, Jacksonville District; W. M. Mullen, Latin District; R. Ira Barnett, Miami District; W. F. Dunkle, Ocala District; C. Fred Blackburn, Orlando District; A. H. Cole, Tallahassee District; and J. P. Hilburn, Tampa District. The time of adjournment being reached during Dr. Hilburn's report adjournment was deferred until conclusion of his report.

*Announcements*—Announcements were made.

*Adjournment*—The doxology was sung and the conference adjourned with the benediction by Dr. Luther E. Todd.

## THURSDAY MORNING SESSION

Jacksonville, Florida, June 16, 1927

*Minutes Read*—The minutes of the Wednesday morning session were read and approved.

*Session of Legal Conference*—The conference resolved itself into a legal conference and the officers of the conference surrendered their chairs to the officers of the legal conference.

*Conference Business Resumed*—The legal conference having adjourned, the officers of the conference resumed their chairs.

*Dr. Stonewall Anderson*—Dr. Stonewall Anderson, General Secretary of the Board of Education was again introduced and spoke to the conference placing special emphasis upon the Pastor's Schools.

*Roll Call Dispensed With*—By vote of the conference, the calling of the roll was dispensed with.

*Offer of Assembly Ground* — An offer of a donation of assembly grounds was, by vote of the conference, referred to the Board of Education.

*Resolution with Reference to Budget*—A resolution urging economy when making up the budget, was introduced by Dr. W. J. Carpenter but while Dr. W. F. Dunkle was on the floor speaking to the resolution, the order of the day for consideration of the report of the Board of Finance having arrived, further discussion was deferred. During the discussion, Dr. W. A. Cooper assumed the chair, by appointment of the Bishop.

*Report No. 1, Board of Finance*—Report No. 1 of the Board of Finance was read by the secretary of the conference, as follows:

We, your Board of Finance, report that we have paid all the claimants on the Board in full for the year. We are pleased to report that there has been no death during the year of any of our superannuates; but four widows of our deceased preachers have passed away, namely: Mrs. Jessie R. Bishop, Mrs. B. K. Thrower, Mrs. B. C. Delofeu and Mrs. G. C. Beavel. Mrs. E. C. Hudson ceased to be a claimant on account of re-marriage.

The usual check from the Publishing House has not yet been received, but we understand that the same amount was appropriated this year as last, namely, \$60,000.00. We regret to learn that the total sales of the Publishing House decreased \$5,660.91 under the previous year; that there was a loss of sales in Sunday School literature of \$28,000.00, which is accounted for by the decrease in Sunday School membership throughout the Church.

We received this year from the Florida Conference Superannuate Endowment Fund a check for \$3,793.91, which is an increase over last year of \$1,502.55. We are pleased to report that the Florida Conference still ranks first among the Annual Conferences of our Church. The Conference assumed a total quota for five years of \$329,992.00. To March 31, 1927, we had paid \$138,560.48, which

is 60.9 per cent of the quota for the three years. The General Board reports that there are three charges in our Conference which have paid their five-year quotas in full and eleven charges which have paid three-fifths of their respective five-year quotas. We regret to report that there are forty-one charges in our Conference which have paid less than \$100.00 and eight charges which have paid nothing.

We wish to emphasize the fact that the total amount received by the General Board of Finance on Special Effort quotas has been credited 100 per cent to Superannuate Endowment. We appeal to each and every member of this Annual Conference to give to this most worthy cause your hearty cooperation with the plans of the General Board. Not to pay this promised amount of \$329,992.00 in full will be unworthy of our great Conference. Too long we have neglected to provide for those who are enfeebled by age and incapacitated physically for further service. He that does not provide for his own has denied the faith and is unfaithful. As members of our Conference therefore, we pledge ourselves unreservedly to this work and to join heartily in the plan projected by the General Board of Finance. The Conference having changed the date of holding its sessions from December to June we recommend that the months of October, November and December to be the period of cultivation and collection of the Superannuate Endowment Fund. We further recommend that W. A. Cooper be appointed by Bishop H. M. Dobbs as Conference Director of Superannuate Endowment.

Respectfully submitted,

W. A. COOPER, Chairman.

Frank T. Wilson, Secretary-Treasurer.

The Bishop resumed the chair. Dr. Luther E. Todd, General Secretary of the General Board of Finance, read an appeal from the General Board of Finance, the recommendations of which were approved by the conference. Report No. 1 of the Conference Board of Finance was then adopted.

*Florida Methodist Foundation*—O. O. McCollum, a member of the Board of Directors of the Florida Methodist Foundation, was introduced and read the report of the Board of Directors. The report follows:

We, the Board of Directors of the Florida Methodist Foundation, make the following report:

Immediately on securing articles of incorporation as authorized by the Annual Conference, we took over title to valuable property in Tallahassee, fronting the College campus. The property in Gainesville is still held by the local church under contract to deliver title when this Foundation can pay off the outstanding indebtedness. For moving a house and for street paving, this Foundation has paid the sum of \$2,800 on that property.

We have had no source of income, and all sums expended have been advanced by members of this board. At different times we have tried to put on a campaign for funds, but we have been unable to do so. The facts in the case are fully understood by your body.

We have at this time a property at Tallahassee and one at Gainesville which represent a valuation of approximately \$120,000.00. Including the purchase price of the Gainesville property (\$16,500), that at Tallahassee, (\$15,500), accrued interest and expenses of the tentative campaign for funds, our outstanding indebtedness amounts to \$41,230. We have no way open by which we can secure funds, and we are forced to lay the facts before the Annual Conference in the hope that you may find some way by which money may be secured for the purpose of holding the property, until financial conditions in the State justify an effort to secure funds for building purposes.

In laying the case before you, we must call your attention to the fact that, if we are forced to let these properties go now, we may not hope to secure similar prop-

erties at any future time. We bought before boom prices prevailed. All similarly placed properties have been bought at high prices and improved.

Also, the numbers of Methodist boys and girls at the State institutions increase each year, there being 450 young women at Tallahassee and 550 young men at Gainesville. The building program provided for by the recent legislature makes certain and sure the doubling of the attendance within two or three years. The attendance at these institutions will be well up in the thousands, within a few years. Fully one-third are Methodist boys and girls. We can not too strongly press the vital importance of the proposed work among these young people. They are the children of the Church and the Church can not afford to neglect them.

Your Board of Directors of this Foundation will do all in their power, but we are without funds and without any forces for securing funds. We ask your careful consideration in the hope that in your wisdom you may devise some means by which the problems can be solved.

If nothing can be done, with great regret we say to you that we know of nothing we can do except to sell this property and pay off the debts outstanding.

Hoping that the Conference may find a way for warding off the danger threatening.

Respectfully submitted for the Florida Methodist Foundation

J. E. GRAVES, President.

J. B. GAME, Secretary.

Whereas, the property of Wesleyan College now unincumbered, is worth nearly three times the proposed loan or bond issue and

Whereas, the property of the College will be offered as security for the proposed bond issue,

## REPORT OF THE SUNDAY SCHOOL BOARD

Your Sunday School Board desires to call your attention to some of the outstanding points in the program of the work for the year.

- (1). During the year through our program of leadership training there have been issued 2138 standard credits and 310 Cokesbury credits making a total of 2448 standard credits. Twenty standard schools have been conducted during the year.  
It is gratifying to state that only five other conferences issue a larger number of credits than the Florida conference.
- (2). The most gratifying result of the year has been the development of the Missionary program. There are now approximately 250 Sunday Schools observing the fourth Sunday as Missionary day and sending their offerings to the Treasurer of the Board.  
The amount contributed this year is \$18,430.17. This has made possible the reaching of our small Sunday Schools as never before.  
Sixteen approved Cokesbury Schools and several training classes have been conducted in the rural village communities this year.
- (3). This year has shown a marked increase in the interest in Sunday School evangelism. This phase of our work has been emphasized through all the agencies at our command. Reports from 78 charges show accessions as follows: profession of faith 674 and by letter 519. On this basis, there have been added to the church this year through the Sunday Schools between five and six thousand.
- (4). Conference Workers for the coming year.  
Mr. F. M. Williamson was unanimously re-elected Conference Superintendent for the coming year.  
Mrs. A. C. Grose of Clearwater was elected Assistant Superintendent.  
Rev. A. C. McCall was unanimously selected as our Dual-Extension Secretary subject to the appointment of the Bishop.
- (5). A committee was appointed to audit the books of the Treasurer. This committee reported as follows: "We, your committee, beg to report that the books of the Treasurer have been examined and the totals checked, the same were found to be correct and in regular order."  
Rev. A. C. McCall having been selected as the Dual-Extension Secretary tendered his resignation as a member of the conference Sunday School Board, which was accepted.  
Rev. I. C. Jenkins was duly elected as his successor.  
The members of the Sunday School Board desire to express their appre-

ciation to the Presiding Elders, Pastors, Laymen and Sunday School workers for your splendid co-operation, and with your continued co-operation we shall enter the new conference year with the confidence for a larger service. In building up more efficient Sunday Schools throughout our great state.

Signed,

## REPORT OF THE HOSPITAL COMMISSION

(1). That the whole question of the transfer of the Orange General Hospital to the Church be referred to the General Board of Hospitals to conclude the matter;

(2). That if, and when the property of the Orange General Hospital is transferred to the General Board that said General Board act as a holding body for the Florida Annual Conference;

(3). That should other offers be made to the Church for the location of a Methodist hospital, they be referred to the General Board of Hospitals;

(4). That the Commission, having finished its work assigned to it, we ask to be discharged;

*Board of Education Report*—The report of the Board of Education was read by S. I. Hendrix and adopted. The report is as follows:

#### REPORT OF THE BOARD OF EDUCATION

For the measure of success, for the opportunity of serving the Methodists of Florida in its educational work and of supplying our young men and women with the means of securing collegiate training under Christian influences, we are grateful to our Father.

In our last report to you we reported the progress made towards raising an endowment fund for Southern College. At that time the success of the movement seemed assured, but circumstances beyond control of human equation have brought us to realize but a small amount collected from the pledges then secured, and it seems wise to those having charge of the campaign not to make a canvass of the entire Conference. However, we do not feel that this important campaign should be left unfinished and we ask authority to complete it, if the trustees of Southern College so determine.

Southern College has had a very successful scholastic year with its halls crowded and faced with the necessity of turning away many of our young people who are seeking the Church's guidance in obtaining an education. The total enrollment was 446. Again the Board of Trustees have been able to carry on the work of the College for the past year without a deficit. Certified Accountants have made full report to the Trustees of all financial transactions.

During the past year there has been collected on the pledges to the Christian Educational Movement \$7,857.63, leaving a balance uncollected of \$362,929.82.

We recommend the adoption of the following report of the Florida Methodist Foundation:

"The Conference at this time is carrying a heavy financial burden, but we recognize that it is of the greatest importance to the Church that the properties now held by the Foundation be cleared of debt and thus be saved for the purpose for which it was purchased, and we, therefore, recommend:

"First. That this Conference call upon its ministry and laity to cooperate in every practical way with the Foundation in carrying out such financial plan as may be proposed by the Foundation to secure funds necessary for urgent needs.

"Second. That this Conference give assurance to the people of Tallahassee and Gainesville that when the properties are cleared of debt and financial conditions justify, this Conference will give all possible assistance in a general campaign for funds for the erection of necessary buildings upon these properties.

"Third. That the Foundation be vested with full power and authority to mortgage, lease, sell, convey or otherwise convert or dispose of all property owned, standing in the name of or controlled by the Foundation."

We have had three offers of land to be used and improved by the Conference for assemblage purposes, and, while we appreciate the motives prompting these offers, we are forced, for financial reasons, to decline all offers for such purposes at this time.

We recommend for your consideration and approval the following items:

1. We recommend that our assessment for educational purposes for the year 1927-1928 be fixed at \$32,000.00;
2. We urge complete co-operation with the General Board in their Christian Education programmes;
3. That the Second Sunday in July be observed as Education Day in accordance with requirements of our Discipline;
4. To fill vacancies, due to expiration of terms, that the following be elected as trustees of Southern College: Smith Hardin, H. J. Haeflinger, A. F. Turner, L. N. Pipkin, R. L. Cline, A. E. J. Anderson;
5. That J. E. Graves, J. B. Game, O. O. McCollum, and W. R. Thomas be re-elected, and John S. Taylor be elected in place of R. H. Tarr, as Directors of the Florida Methodist Foundation;
6. That R. H. Barnett be confirmed as Trustee of Wesleyan College, Macon, Georgia;
7. That B. F. Rogers and R. B. Templeton be elected as this Board's Managers of the Summer School for this quadrennium;
8. That Ludd M. Spivey be appointed as President of Southern College; that Olin Boggess and G. F. Scott be appointed as Professors in Southern College; G. W. Alford and A. L. Vergason be appointed as students at Emory University;
9. That the Board of Trustees of Southern College be not required to meet but once a year;

We desire to express our appreciation of the splendid support the preachers have given Southern College, for the loyalty of the Methodists to our institution and to the splendid work done by President Spivey and the members of the Faculty of the College.

Respectfully submitted,

L. W. DUVAL, President

S. I. Hendrix, Secretary.

*Board of Lay Activities*—The report of the Board of Lay Activities was read by F. H. Trimble and adopted, and L. P. McCord was elected Conference Lay Leader, which answers Question No. 43. The report is as follows:

#### ANNUAL REPORT OF CONFERENCE BOARD OF LAY ACTIVITIES FLORIDA CONFERENCE M. E. CHURCH SOUTH.

We, the Conference Board of Lay Activities beg to submit the following report: Whereas. In view of the responsibilities placed by the last General Conference

upon the Board of Lay Activities, together with the Bishop, Presiding Elders and Pastors of each Conference for the promotion of full payment of our Benevolent Claims, be it

Resolved, First, that the assessments, general and Conference, constitute our first and abiding obligation.

Second, that these benevolences be provided for in cash and pledges as soon as practicable after the session of each Annual Conference.

Third, that at least one-half of these claims should be paid by the time of the District Conference.

Fourth, that as far as practicable, these claims be remitted to the Conference Treasurer monthly as an integral part of the local Church Budget.

Fifth, that the Bishop, Presiding Elders, Pastors and Board of Lay Activities unite in a cooperative effort of education to inform the entire membership of the needs and opportunities for promoting systematic, proportional and sacrificial giving to the great causes represented in these assessments.

Sixth, that all of us do our utmost to reach the goal of 100% payment of all claims this next Conference year.

Your Board of Lay Activities wishes to express its appreciation to Bishop Dobbs for his splendid spirit of cooperation and for the letters of encouragement sent to individual Charge Lay Leaders of this Conference.

We bespeak the cooperation of pastors, in selecting the best and most capable and consecrated men available for the position of Charge Lay Leaders, and respectfully and courteously urge upon all preachers the organization in each Charge and Church the Board of Lay Activities, that the work promoted by our Board may function throughout every congregation.

Realizing the necessity for rigid economy in all Conference expenditures, this Board wishes to advise the Annual Conference that our work for the ensuing year is so planned that we shall not have occasion to ask the Conference Budget Committee to include any sum for the support of our work in the Annual Budget this year.

We nominate L. P. McCord of Jacksonville as Conference Lay Leader.

Respectfully Submitted,

CONFERENCE BOARD OF LAY ACTIVITIES

by F. H. TRIMBLE, Secretary.

#### REPORT OF BOARD OF TRUSTEES FLORIDA CHRISTIAN ADVOCATE

We, your board of trustees, make the following report and recommendations. Through the report of Rev. I. C. Jenkins, our Editor, we have learned of the unusual success for the year with the Advocate. It is with deepest regrets that we give up Brother Jenkins as our Editor, and we ask the Conference to join us in extending to him our grateful appreciation for his most efficient and sacrificial service in connection with the Advocate.

*Hospital Board*—Reports Nos. 1 and 2 of the Hospital Board were read by L. E. Wright, and adopted. The reports were as follows:

#### REPORT OF THE HOSPITAL BOARD, NO. 1

Dear Brethren:-

Your Hospital Board begs leave to make the following report: Your Board has diligently sought to fulfill all duties and responsibilities devolved upon it during the Conference year.

Attention is called to the action of our Conference in creating at its last session a special Hospital Commission, clothing it with authority exceeding that of the Hospital Board and taking precedence over the Board. The Conference further granted an executive Secretary to the Commission, who according to the laws of the Church became Conference Director of the Golden Cross. Thereby leaving the Hospital Board charged only with the financial and advisory duties. We can report therefore only the disbursements of the appropriation as made by the Conference and moneys raised through the Golden Cross and deposited in the Phifer State Bank, to the credit of the Treasurer of the Hospital Board. This amount to date is \$3,302.03, which is only 80% of the total \$4,150.43.

The Hospital Board has paid out to salary and expenses of the executive Secretary of the Commission \$6,361.86 and paid \$200.00 on interest on a note with the Phifer State Bank for \$25,000.00 which the Board was authorized to borrow to meet running expenses of the Commission and Board until a sufficient amount of the appropriation authorized by the conference should come in to cover said expenses.

There has been paid out to date for expenses of the Hospital Board \$177.35 making a total of disbursements by the Board to date of \$6,730.21.

Of the appropriation of \$7,500.00 made by the conference for the expenses of the special commission and Board there has been paid in to the Conference Treasurer to our credit \$2,122.00 and paid in by the Golden Cross \$3,302.03, or a grand total of \$7,924.00, leaving a cash balance of \$1,110.65.

The Board wishes to assure the Conference that all moneys coming in from the Golden Cross will be used only as directed by the Discipline.

GEO. E. SUMMERS, Chairman  
L. E. Wright, Secretary.

#### REPORT NO. 2, HOSPITAL BOARD

The Hospital Board desiring to continue the special interest now being manifested in the work of the Golden Cross and realizing this can be done only through a Conference Wide Golden Cross Director, it has taken under serious consideration the following plan of joint action with the Editor of the Florida Christian Advocate.

Whereas: The Board of Trustees of the Florida Christian Advocate have earnestly requested that the Office of the Editor of the Advocate be combined with that of the Office of the Conference Director of the Golden Cross and

Whereas: This combination will make the editor of the Advocate, Golden Cross Director and will thereby greatly advance the work of the Hospital and the Golden Cross. We therefore recommend that the Conference commission on Budget shall continue the assessment which was granted to the Hospital Board this year, but reducing it from \$7,500.00 to \$6,000.00 and that said \$6,000.00 be combined with the assessment for the work of the Florida Christian Advocate. This being with the understanding that out of this amount all necessary expenses of the Hospital Board must be paid.

We further recommend (in concurrence with the recommendation of the Advocate Board) the appointment of Rev. Ben F. Rogers to the office of Editor of the Florida Christian Advocate and the Conference Director of the Golden Cross.

Respectfully submitted,

GEO. E. SUMMERS, Chairman  
L. E. WRIGHT, Secretary.

*Board of Christian Literature*—The report of the Board of Christian Literature was read by A. Fred Turner and adopted. The report follows:

#### REPORT OF BOARD OF CHRISTIAN LITERATURE AND ADVOCATE BOARD AS AGREED UPON IN JOIN SESSION

We recommend

(1). That we continue the Florida Edition of the Christian Advocate and that an editor be employed for full time service and that the assessments for the Advocate Board and the Hospital Board be combined cutting from the combined assessments fifteen hundred dollars (\$1,500.00).

(2). The appointment of Rev. Ben F. Rogers as editor of the Advocate and Conference Director of the Golden Cross as agreed upon between the Advocate Board and Hospital Board.

Respectfully submitted,

A. FRED TURNER, Chairman  
MRS. R. G. ALBURY, Secretary.

*Board of Missions Reports*—Report No. 2 of the Board of Missions was read by F. E. Steinmeyer. Reports Nos. 3 and 4 of the Board of Missions were read by C. E. Gutteridge. The reports were adopted as follows:

#### REPORT NO. 2 BOARD OF MISSIONS EVANGELISM

We regret to record that only 10,000 net gain in members was reported last year in all the Conferences; 2,865 of these were reported from our Conference. A large number of special meetings have been held this Conference year, only a few of them have resulted in real revivals. Wherever the church has given itself to prayer, gracious results have followed. Our Bishops and the last General Conference sounded the evangelistic note and issued a call to earnest and continued prayer that God would bless our beloved church with a great spiritual revival. The Home Department of the Board of Missions and its committee on Evangelism are calling on the Church to undertake in real earnest to carry out this request. It is proposed to take up this work vigorously in March and April through all the agencies and organizations in revival effort to take "America for Christ."

Regional conferences are planned for the month of March that the leaders of the church may come together for counsel, and inspiration forming such plans as may be necessary whereby we may proceed in this great task. A conference wide meeting will be called after this regional conference to bring the message and plans down to every church in the conference.

Resolved:

- (1). That this Conference heartily endorse the movement and pledge ourselves to enter heartily into it.
- (2). That we lay aside all non-essential matters and preach repentance, faith,

forgiveness, for all sin and obedience to the gospel.

- (3). That we ask all our Conference Evangelists and Pastors to enlist for one meeting at least and our Committee of Lay Activities to give themselves to personal evangelism.
- (4). That we urge our people to daily prayer for the outpouring of the Spirit of God.

We endorse as evangelists, P. K. Rowell, H. L. Ezell, A. D. Buck, J. I. Whitworth, S. A. McCook, W. H. McLeod, J. B. Culpepper, Sr., F. P. McCall, John M. Watts, T. E. York and G. A. Klein.

We recommend for general evangelists, J. B. Culpepper, Sr., F. P. McCall, G. A. Klein and W. H. McLeod.

S. W. WALKER, Chairman

C. E. GUTTERIDGE, Secretary.

### OBITUARY OF REV. FREDERICK BLACK LANGFORD

Rev. Frederick Black Langford was born in Ft. Meade, Florida, February 14th, 1881 and died in Jacksonville, Florida, June 22nd, 1926, making him 45 years of age at his death. His parents were Capt. G. R. Langford, and Anna Langford. They belonged to one of Florida's leading families, living in the southern end of the state. Fred had several brothers and sisters, some of whom survive him, and are in leading positions in both church and state.

Fred was the youngest boy of the family.

At the age of 21 he was converted in a revival meeting held by Rev. J. W. Austin, pastor of the charge where Fred lived. In the same meeting Rev. Kinner Hollister, and Rev. Wright Carlton were converted. From that day Fred walked in a straight line. No one ever doubted his religion. His face was fixed upward, and he walked that way to the end. He did not hide his candle under a bushel, but it was allowed to shine—and shine it did—how brightly his brethren, all of them, are witnesses.

He realized his call to the ministry, and began to get himself ready for it just as soon as he could do it. Getting himself ready was a great struggle for him. He had to go at it single handed. Little or no help came to him, and he was a poor boy. Only those who have traveled this way can appreciate the force of what he overcame. He went to Southern College when Dr. J. P. Hilburn was president. In him he found a friend. Here he stayed for three or four years working his way to pay expenses, while he studied in books shaping himself for the pulpit.

In 1907 he was married to Miss Laurie Lewis of Ft. Meade, Fla. To this union was born one child—now a noble young woman, Miss Reba Gwendolyn. In 1910 his young wife died while he was serving Parrish Charge. In 1912 he was married the second time. Miss Floy Cecil, daughter of the lamented Rev. C. C. Cecil of

this conference, who survives him, living with the four children in Tampa, Fla., is the bereaved wife by the second marriage.

Viewed from any standpoint, Brother Langford was a worthy member of our conference. He loved the brethren. He loved his calling. He loved his church. He loved his God. He never tired doing the work of the ministry. He lived as a saint ought to live. His was a triumphant faith and life. He never murmured nor complained, mattered not what his work was. He could always see the bright side of life. He was companionable. He was friendly. He was faithful.

He was tender in his ministries to those needing tenderness and kindness. He was firm and forceful to those needing firm dealings and decisive handling.

He led many to know God in their souls.

His calling was the decisive fact in his life. He ordered his life according thereto.

In his family he was no less model in his public life. It was beautiful to see and know him and his family in their associations. To him, to be husband and father was to be companion, advisor, chum, lover, helper. That was Fred's way with his family.

I think he must have known that he was nearing the eternal shores, before the summons came to him. He had not been very well for about a year. The doctors had advised him to rest from his ministry, but he would not stop preaching even for health's sake. He went to the Annual Gathering in St. Petersburg last June. He was delighted with the appointment he was given by the bishop. He stopped over and spent the first day of the new conference year in his newly assigned charge—Coleman. In the afternoon as he and his family journeyed homeward to Jacksonville where they would make arrangements to get to the new charge, as quickly as possible—he seemed to be brooded over by the gracious Spirit who ever ministers to his own.

The little company seemed to be in a worshipful mood all along the way. They would sing religious songs. But two outstanding songs with Fred were these two that seemed prophetic. Swing Low Sweet Chariot—and When They Ring Those Golden Bells for You and for Me. He would constantly request these songs. I think he heard the voice of God that day all along the way for how could it be otherwise. What explanation can we make of the connected facts concerning his end. He had scarcely gotten inside the parsonage before the summons came, and before the family knew it, he was in the Sweet Chariot sweeping homeward, while they were ringing those Golden Bells for him, as the chariot drew near the Eternal Gates.

#### REV. EUGENE CLAYTON CALHOUN

Rev. Eugene Clayton Calhoun was born at Perry, Florida, August 28, 1886, and passed to his eternal reward from Lake City, Florida at six o'clock in the evening of July 12, 1926. He was a beloved son of John C. Calhoun and Mary Hendry Calhoun. He grew to manhood at Perry, attending the public schools of that place; then he graduated from the Law Department of our State University at Gainesville, in 1910. Returning to Perry he practiced law five years, and gathered about him a very lucrative law practice. About this time he felt a very clear and unmistakable call to preach the gospel, and to give his life to the work of the itinerant Methodist ministry. With strong faith in God he responded to this Divine call, and was licensed to preach, and admitted on trial in the Florida Conference, in the year 1915. He was ordained Deacon in the year 1917, and ordained Elder in 1919. His first pastoral Charge was Hastings, where he served very successfully four years, leaving behind him a glorious monument to his untiring labors in building that beautiful church. He then served two years very efficiently at Fort Pierce, winning a number of souls for Christ, and doing a work that eternity alone can fully reveal. His last Pastoral Charge was Lake City, where he served most acceptable for three and a half years until failing health forced him to retire. He was released from the duties of this pastorate by Bishop Ainsworth on July 15, 1925. On this last Charge he was dearly loved by all who knew him, and the work of the church made splendid progress. After giving up the

regular work of the ministry he continued to serve the Lord very excellently in the Sunday School, and in other spheres of religious activity, until God said, "It is enough. Come up higher," and his pure spirit departed to live with Jesus in Heaven.

His funeral service was conducted in the Methodist Church in Lake City by Rev. Ben F. Rogers, assisted by his Presiding Elder, Rev. C. H. Summers, Rev. H. T. Gaines, Rev. Paul Fletcher and Rev. G. S. Roberts. The body was taken that afternoon, July 13, to Perry, Florida, and there another service was conducted in the Methodist Church, of which he was Sunday School superintendent for some years before entering the ministry. Then his precious body was laid to rest in the Perry Cemetery, late in the afternoon of July 13, 1926.

On October 27, 1910, Brother Calhoun was happily married to Miss Gussie Barnes, of Douglass, Ga. God blessed this happy union with four exceptionally fine children, Clayton, Ashley, Mary and Rabun. Clayton, the eldest, is now fourteen years of age, and Rabun, the youngest, eight years old.

In our Conference sessions, and elsewhere, we miss the happy face of our dear brother, and his wise counsel. But we shall meet him in Heaven, and live with him in perpetual bliss forever and forever.

### GRAHAM WILLIAM STUBBS

Born in Marion County, South Carolina, April 21st, 1870; married to Miss Evelyn Ballard at Pine Park, Georgia, July 19th, 1891; was licensed to preach December 12th, 1907; received into the Florida Conference as an Elder from the Baptist Church, December 1914; and departed this life at Perry, Fla., May 26, 1927.

These dates and incidents mark the earthly life of Brother G. W. Stubbs.

He came of sturdy stock, his family ranking high in their native state. His marriage related him to another interesting family, prominent in Georgia. Then came six children in their own home, two sons and four daughters. One son preceded the father to the other life. The other, Wyman, resides in Cleveland, O.

Two daughters are married, one living at Oakland and one at Palatka. Two, Marcia and Jessie, remain at home.

He was converted and united with the Baptist Church, and was licensed to preach. After serving seven years with them he came to us; was received into our Conference as an Elder, and finished his life work with us. During this period he served Frostproof twice, Crescent City, Winter Garden, Fort Pierce and Perry.

He discharged the duties of a pastor faithfully and carefully, looking after every interest of the church with zeal and fidelity.

He was a studious man, careful and painstaking in the preparation of his sermons; a faithful pastor; deeply spiritual; cheerful and happy in disposition; beloved by the people he served.

His last charge, Perry, was probably the most successful of his life.

He was sick only about a day and a half, and passed away suddenly and unexpectedly.

His earthly career is ended. He fought a good fight; he kept the faith, and has gone to his final reward.

"Servant of God, well done."

### REV. FRANCISCO SANZ

In writing this memoir of our dear brother Sanz, I feel that I cannot do better than to incorporate here the one written by Rev. L. Oser and published in the Christian Advocate of January 28, 1927. Brother Oser's intimate acquaintance with brother Sanz has enabled him to present the main features of his life and ministry so attractively that I feel that it would be presumption in me to add to or change any part of it.

"Rev. Francisco Sanz, pastor of the Spanish Mission, Latin District, Tampa, Florida, has been called to his eternal reward. He was born in Havana Cuba on November 24, 1872. His education was above the average and for many years he was employed in the marine shipping office in Havana. In 1915 he came to

Tampa, Florida. Through the personal interest of our faithful brother, Thomas Balbona, he began visiting our San Marcos church, at Ybor City, where he found Jesus Christ as his personal Savior. The following year he was licensed to preach and rendered efficient service at the San Marcos and Epworth church. In 1918 he was admitted on trial in the itinerant ranks of the Florida Conference and finished the prescribed conference course of study during the first four consecutive years of his ministry. He served six years in Key West, Florida, doing a splendid work among our foreigners there. Two years ago he was appointed pastor of our Epworth Mission in Tampa and thru his untiring labors he brought it up to a marked degree of spiritual and financial success. His physical weakness was his greatest obstacle.

Last July he sustained a fall in his home, fracturing his hip bone, which confined him to his bed permanently and finally resulted in his untimely death. He suffered greatly, but his faith and joy in the Lord cheered his soul. We held two preacher's meetings in his sick room; and though his body was racked with pain, he led in prayer with unusual vigor and spiritual power. The night before his death he prayed especially for every church in the Latin District and his last words were, 'O Heavenly Father, have mercy on me.' His end was peaceful.

He is survived by his wife, Ana, three children, Ellen, Jesus, and Antonio. May God comfort and bless them."

#### MRS. B. K. THROWER

Mrs. Laura Sabella Thrower (nee Mitchell) was born in Perry County, Ohio, December 2nd, 1853; died in Tampa, Florida, November 11, 1926.

While a young preacher, just transferred from Georgia to the Missouri Conference and the pastor at Kirkwood, Mo., Rev. B. K. Thrower became associated with Miss Laura Mitchell, who was his church organist. This ripened into a fine friendship and a life-long love. They were married October 12, 1874; and thus began a life of mutual trust and beautiful affection, marked by efficient service for the Church and of wide and blessed influence on others. Cheerfully she went with him to his appointments; cheered and blessed him with her comfort and loyal co-operation; and made the parsonage-home a center for all that was inspiring and good for the dear boys. She was a kind and sympathetic friend; a patient, gentle mother; an earnest church worker and withal, a devoted Christian woman.

They transferred to Florida in December 1887; and were stationed in Bartow; and afterwards in Orlando, Lake City, Quincy, Tampa and the college church in Sutherland. In Tampa perhaps they found their largest field for usefulness and success, eventually securing a home there. There they reared to young manhood their four sons, Fred, Lawrence, Hanson and Joseph. While in Orlando during a great revival led by Dr. B. Carradine, she and her husband sought and obtained the experience of perfect love. To them it was not simply a blessing, but a living and glowing heart-and-life-experience, full of blessings to themselves and others.

In a large sense Sister Thrower was a model "preacher's wife," leaving everywhere a large circle of admirers and friends.

For several years preceding her death she was in feeble health and often a sufferer from physical pain, but amid all she was patient, brave and cheerful. The golden chain of married love that had bound her beautiful and useful life to earth was broken when its principal link was removed in the passing of her dear husband. But she had not long to wait until it was again welded anew in that "land where they never say good-bye." Surrounded by her sons and friends she gently slipped the cable that held her to earthly shores and "crossed the bar" on that wonderful voyage to the haven of final and blessed rest.

"Though from out our bourne of time and place,

The flood may bear me far,

I hope to see my Pilot face to face,

When I have crossed the bar."

H. E. PARTRIDGE.

## MRS. S. W. WALKER

The great dramatist said of one: "After life's fitful fever, he sleeps well." The words of the psalmist fall on our ears like a strain of music from a celestial choir: "So He giveth His beloved sleep." Christ speaks of death as a sleep. The Apostles refers to death as being "asleep in Jesus." Heaven's sweet messenger: Sleep. Sleep implies waking. The night will end and the morning will come. Sleep is temporal; therefore, death for the Christian is not eternal. Death is "simply the dressing chamber in which we lay aside the garments of earth and put on the robes of Heaven." The solacing sleep of death is God's personal gift to His children whom He loves. "With His own hands, He rocks the cradle and puts His beloved to sleep." Saint John tells us: "I heard a voice from heaven saying, Write, Blessed are the dead who die in the Lord from henceforth; yea, saith the Spirit, that they may rest from their labors; for their works do follow them." That they may rest." Sleep, again.

One hour before midnight, on May 2, 1927, Mrs. Grace Parker Walker was, by the will of the heavenly Father, lovingly released from the bodily sufferings and weakness and weariness that had so painfully handicapped her in her labors of love for the Master through a number of years past. Be it said to Mrs. Walker's credit and praise that she never burdened others with her physical ills. At the hour mentioned, she fell "asleep in Jesus." She went to her rest to awake with renewed and perfected strength to enter upon her eternal and unhampered ministry for her Lord and Saviour.

As a child, the subject of this memoir filled the hearts of her parents, Brother and Sister T. O. Parker, of Arcadia, with genuine satisfaction and high hopes. She was an earnest and conscientious student. She was gifted in music. She was a girl of clean and lofty ideals, actuated in all her work-and-play-life by a wholesome ambition. These characteristics continued to distinguish her, only more so, after she entered Southern College in 1903. She graduated from Southern in 1905 with honors, in one of the strongest classes that has ever gone forth from the institution.

It was in her first year at Sutherland—where Southern College was then located—that she gave her heart and life to Jesus Christ. Her pastor had previously listed her one of the "key girls" of the student-body and had pledged his personal workers to pray and work especially for her conversion, realizing that to win her for Christ would mean much toward winning all the other young people of his congregation. Being of strong mind and very conscientious, Grace Parker faced the claims of Christ deliberately, seriously, earnestly, squarely; and, sure enough, when she and several other "key pupils" did yield to Christ and begin to speak and live their testimony for Him, nearly all of their fellow-students likewise and very soon accepted Christ as Savior and Lord of their lives. Doubts troubled her at times for a little while after her conversion, as is often the case with deep and thoughtful minds, but before the end of her first year as a child of God she came into the light of an assured faith that never afterwards failed to bring her needed and adequate comfort and strength and inspiration.

On August 15, she was married to Rev. S. W. Walker, D. D. From that day to the hour of her translation she proved herself as a true and faithful wife. As a mother, she gave herself patiently and lovingly to her task of caring for six children. Her husband and all the children—Julia, Howard, George, Annette and Shade—survive her and beautifully testify to her Christian character and fidelity. Three sons-in-law, two daughters-in-law and several grandchildren share the sincere and deep grief of husband and step children in this bereavement. Her mother, one brother and five sisters also survive her and suffer because she is gone, as do wide circles of friends throughout Florida and outside of Florida.

Mrs. Walker was an unusually strong character. Vacillation was never a part of her make-up. She had convictions and she lived by them. She was true in every relationship of life. As preacher's wife, the work of the Church constantly filled her heart. She was always one with her husband in her intense interest in every Christian cause. The last time the writer visited with Mrs. Walker—it was in Lakeland only about two weeks before she left us for heaven—the blessing of God upon the labours of her husband and the St. Petersburg Church in their pre-Easter

campaign for souls supplied her her chief topic of conversation. Her joy over the ingathering of this Easter was manifest and eloquently expressed her heart's first love and concern.

Forty-one years, thirty-two days, are not time enough in which to complete a life like Mrs. Walker's. Such an intellect, such a heart, such a will cannot spend themselves short of an eternity. If she now listens to this tribute which we so feelingly bring to this service in honor of her memory, let us, one and all, say: "O Grace,

"Thy day has come, not gone;  
Thy sun has risen, not set;  
Thy life is now beyond  
The reach of change or death,  
Not ended—but begun'."

R. IRA BARNETT.

### MRS. THURLOW BISHOP

Mrs. Jessie Rou Bishop was the only daughter of Captain and Mrs. Sam F. Rou, and was born in Fairfield county, South Carolina December 9th, 1853. In early life she came with her parents to Florida, where they settled in Marion County.

In 1880 she was married to Thomas R. Wililams, an intelligent and successful young farmer; and from this union a son, Malcolm, now living in Gainesville, and a daughter Claude who died in young girlhood were born. After the death of her husband in 1890, she returned to the old home. There in 1895 she met and married Rev. Thurlow Bishop of the Florida Conference. He was at that time pastor at Micanopy. After brother Bishop's death she moved to Sutherland, then the site of Southern College.

A former pastor who knew her in young womanhood says of her: "She was strikingly genial and kind in her disposition, a friend of the pastor, loyal in all the work of the church, and beloved by everybody."

She filled most faithfully the place of mother, as well to the nine children of her preacher-husband, as to her own, and an adopted child whom she reared; and these bestowed upon her the devotion of children to a mother. The closing nine years of her life were spent in Gainesville in the home of her only son.

From an acute attack of pain in May, followed by an operation, she never recovered; and on the morning of May 25, 1917, she passed to "the home over there."

Her body was taken back to the old home in Marion County; and in the presence of a large circle of loved ones and friends, was laid to rest in the old "Millwood Cemetary," there to wait the "resurrection of the just."

### MRS. G. C. LEAVEL

Mrs. G. C. Leavel was born in Jefferson County, Florida, February 11, 1853, and passed to her eternal reward from her home in Wildwood, Florida, October 9, 1926.

Sister Leavel was the daughter of Capt. W. A. Barwick, and sister to Col. I. E. Barwick who founded the town of Wildwood.

Sister Leavel spent her girlhood days in Monticello, Florida, attending the public schools of Jefferson County and Monticello.

In the year 1870 she was married to the Rev. G. C. Leavel, who was a member of the Florida Conference when the Conference was young. For a few years only, Siester Leavel itineratd with hr pastor husband, proving hrsel a true and efficient helpmeet in the arduous duties and consequent hardships of those early years of Methodism in Florida. All too soon her saintly husband, never very strong but giving himself without stint to his work, was called away from her side, leaving her in lonely Wildwood some forty-eight years ago.

To them were born three daughters, the first dying in early choldhood, the second, Mrs. J. W. Barwick, who passed away sixteen years ago, and the third, Mrs. J. O. Fleece, of Wildwood, who alone survives. She, with an aged sister, Miss Julia Bar-

wick, and a number of others, grandchildren, nieces and nephews, remain to mourn her departure.

Sister Leavel spent all the long years of her widowhood in Wildwood, and was for perhaps the longest period on record in our Conference, a claimant on the Conference Board of Finance. And may it be truthfully said, no worthier claimant ever received help from that benevolent fund. Sister Leavel was always deeply devout, and was ever true and loyal to her pastor and to her Church. It was the writer's privilege to serve as her pastor for one year, at the close of which she made special request, that in case she should precede him to the other world he would have a part in her funeral service. This occasion came on October 11, last. After her pastor, Rev. Paul Redfearn, had finished all the preliminary parts of the funeral program, including a very appropriate address by himself, it became the writer's privilege to say a few words, which he did, esteeming it one of the greatest privileges of his life to be permitted to stand and recount some of the excellencies of this noble woman's life before a large and appreciative audience. It was 10 o'clock Monday morning, but the Church was well filled, many being there who had known Sister Leavel for about forty years. Somehow, the funeral element was strangely lacking on this notable occasion. The sense of loss seemed quite overshadowed by the other sense of immediate gain. There was a profound note of victory running through it all, while all seemed to realize that a suffering saint had gone home to be with God. One could almost hear the silent rustle of angelic wings, while

"Heaven came down our souls to greet,  
And glory crowned the mercy seat."

#### MRS. BONIFACIA DELOFEU

Mrs. Bonifacia Delofeu was born in La Salud, province of Havana, Cuba, May 14, 1857, and died August 19, 1926. At twenty she married to Mr. Manuel Delofeu who was at that time professor in that public school. In 1886 on account of the Cuban revolutionary war for independence, they went to Key West Florida. There, they were converted to the redeeming Gospel of Jesus Christ under the efficient pastorate of Rev. H. B. Someillan. After that wonderful change in their lives (they made a trip to Cuba and preached there the "Good News" unto salvation to those who believed. They returned to Key West, where in a short time he entered in the ministry, devoting, he and his wife, their lives entirely to God. She proved to be a living example of faith and consecration. They worked in Key West, and Tampa for many years and their last portion of their useful service in Cuba to where he was transferred about the year 1908. Mrs. Delofeu labored as much as he, in the winning of souls for Christ. She loved everybody. Sharing with him in the toil and sorrows of his fruitful ministry. Rev. M. Delofeu died in San Juan de los Yeras, province of Havana, Cuba, 1911. She has been considered as a model of Christian character and piety among her people, being loved by all who knew her. She died nine months ago, lovingly surrounded by her spiritual sons—who named her mother—nearly all preachers of the Gospel, Cubans and Americans. She has passed away, with quiet peace shining on her face, the supreme love for her Savior and the assurance of life eternal. These were her last words: "My sons, my course is finished, from now on I will rejoice in the presence of the Most Holy. Sing for me some hymns, I am going to my heavenly rest."

*Sabbath Observance*—The report on the Committee of Sabbath Observance was read by J. W. Jackson, and adopted. The report follows:

#### REPORT OF THE COMMITTEE ON SABBATH OBSERVANCE

Whereas, We are commanded by the word of God to remember the Sabbath day to keep it holy, and

Whereas the lack of this observance is in a large measure responsible for the lack of Godliness in the world and the lack of spiritual power in the people of the church, and

Whereas, the rules of our great church prohibit the profaning of the Lord's Day by doing any ordinary work therein or by buying or selling.

Therefore, Be it resolved by the Florida Annual Conference in session in Jacksonville Florida, as leaders of the church to help overcome this evil,

First—By not permitting ourselves to indulge in the most common practices of profaning the Lord's Day, as such by buying or selling such as gas, oil, soft drinks, tobaccos etc., when such buying or selling is not necessary.

Second—By enlisting the whole membership of our church in a fight against this common practice by showing them the evil resulting therefrom.

Third—By urging the enforcement of the laws of our state in this regard, which laws if enforced would protect our Christian Sabbath against such undue desecration.

J. W. JACKSON, Chairman

NOEL V. NIHAUL, Secretary.

*Bible Board*—The report of the Bible Board was read by A. H. Hancock, and adopted. The report is as follows:

We your Bible board beg leave to submit the following report:

Knowing the Bible to be the inspired word of God and the same has been given to the world as a guide to faith and practice; we therefore recommend, first that all of the Methodist Churches of the Florida Conference observe the universal Bible Sunday on the First Sunday of December and that all of our Pastors be requested to preach that day on the Holy Scripture.

Secondly, that the Young People of our churches make one Sunday of the Conference Year Bible Sunday, with special emphasis to be laid on the reading of the Word of God.

W. G. STRICKLAND, Chairman

A. H. HANCOCK, Secretary.

Bishop Dobbs took the chair.

*Temperance and Social Service*—The report of the Board of Temperance and Social Service was read by E. Watt Smith and adopted. The report follows:

#### REPORT OF BOARD OF TEMPERANCE AND SOCIAL SERVICE

Section 1, Social Service—We emphasize again the importance of the Social Creed of our church contained in Paragraph 533, Page 251 of our Book of Discipline. We urge upon our organizations a study of social service conditions in the League, Sunday Schools, Missionary Societies and Wesley Brotherhoods, and request our people to attend whenever possible the social service conferences held at Junaluska from year to year.

We favor the outlawing of war. War is now a legal and organized method of settling differences between nations and has its rules and code. We wish to substitute a code of international law for the code of war. We invoke the blessings of God upon any and every organization and individual who in truth and sincerity strive to in any way mitigate this great evil.

We note with pleasure that the nation is becoming active in suppressing what we have called the crime wave. This crime wave is being traced to its source, and certain organizations and teachings responsible for it are being attacked and men are speaking out as never before against the destruction of our institutions for the sake of money. It has become increasingly evident that the Constitution must destroy the bootleggers or the bootleggers will destroy the Constitution. Some method must be found to prevent interested parties from teaching our youth that it is honorable to violate law. We hereby declare that the prohibition law, including the Volstead Act and the Eighteenth Amendment are not only law, but good law, that the laws against gambling and Sabbath desecration are also good and holy laws and necessary for the preservation of society, and we renounce any and all people guilty of their violation as criminals and traitors to constitutional government, and this denunciation holds whether the violator be a buyer or seller of intoxicants.

We call attention to the organized and financed propaganda against orthodox Protestantism in the United States of America. This movement is perhaps the most sinister movement in the United States today, and there is ample evidence that everywhere the radical positions are praised and upheld while the orthodox positions are ridiculed and condemned. Strong and insincere men have set themselves to the destruction of the orthodox ministry and church in its influence with the public. We urge our preachers and people to be wide awake in the combatting of this propaganda.

We declare again that public office is public trust and the acceptance of any money or any bribes of any nature whatsoever constitutes theft and brands the receiver as unfit for public trust or public position.

We delight to report that the last Legislature refused to legalize race track gambling and Sabbath desecration, but call attention to the danger that these things may be done illegally, even as motion pictures and other institutions operate illegally in the state.

We rejoice in the vindication of our faith in the character and integrity of the Supreme Court of the State of Florida as evidenced by their race track decisions and go forward with confidence in the great work of ridding this state of evil.

We denounce the tendency of the stage and most motion pictures and certain current literature to peddle pultritude and salaciousness under the guise of art and amusement and hope that some way may be found to prevent the poisoning the minds of our youth by such literature and plays. We are glad to note a strong national movement for the cleansing of these things.

We deplore the effort in some quarters to separate the children from the authority and respect of their parents and from their homes. This movement is led by those who wish to exploit the youth for gain. We declare it to be our conviction that any teaching which tends to break youth from its normal moorings as they have been

revealed in the Word of God and tested by the moral experience of the race through the ages is dangerous and is to be condemned. We urge the earnest consideration of the old and age-long virtues, such as honesty, truthfulness, industry, frugality, purity in thought and life, and declare these to be the rock foundation on which all happiness will ultimately rest. We declare also our belief that as no nation has long outlived its God, that we too are in imminent danger of destruction if we lose the sense of God from our lives. We pledge ourselves to a year of labor and service to the state, to the church and to the nation.

Section 2, Temperance—Whereas, Florida now has the 19th Amendment to the State Constitution identical with the 18th Amendment of the Federal Constitution, and

Whereas, the Prohibition Enforcement Laws of Florida are much the same and in some respects superior to the Volstead Act, and,

Whereas, the great need, for the realization of the Christian's dream of the benefits of the prohibition of the liquor traffic, is now, not so much more laws as more men—good, stalwart, strong, men to enforce the laws we already have.

Therefore, Be it resolved that the Preachers and Laymen of this Florida Conference of the M. E. Church, South, become active, as good citizens of Florida, in the coming Primary Campaign.

First, for the bringing out of good men and women as candidates for the legislature, for sheriffs, judges, congressmen, U. S. Senator and for Governor of the State of Florida, and

Second, the Preachers and Laymen of this Florida Conference of the M. E. Church, South, shall, as good citizens of Florida, aid and assist in the nomination and election of good men and women, true and strong, to these offices of honor and trust in order that there may be a fulfillment of the promises and benefits of our good laws in the good state in which we live.

W. A. MYRES, President

E. Watt Smith, Secretary.

*No Trial*—The Committee of Re-Investigation in the case of W. J. Churchwell reported "No trial necessary," and under Question 21 the character of W. J. Churchwell was passed.

*Christian Literature*—Report No. 2 of the Board of Christian Literature was read by A. Fred Turner and adopted. The report follows:

The Board of Christian Literature for the Florida Annual Conference of the Methodist Episcopal Church, South, begs to submit the following report:

We rejoice that this conference seems to have solved the difficult problem of the publication of a conference organ by the development of the very happy idea of the Florida Edition of the Nashville Christian Advocate. We feel that in the past eighteen months this paper has served the conference and Florida Methodism very well indeed, and has won an enviable place among religious journals. We heartily commend our editor, Rev. I. C. Jenkins, D. D., for the fine work he has done in editing the paper for us.

We urge that the Florida Edition of the Nashville Christian Advocate be continued as at present and that Methodists throughout the conference render all possible support in this undertaking.

We greatly appreciate the high type of literature coming from the press of our publishing house under the able direction of Lamar and Whitmore. Pastors, Sunday School Superintendents, Epworth League Presidents, and Presidents of Missionary Societies will do well to call attention to these high-class books suitable for people of all ages. We beg to suggest that book tables be arranged in our churches upon which displays of some of the better books may be offered for the attention of our people. Posters and display advertising announcing these books would be in order.

We congratulate our publishing agents upon the splendid financial showing they have made and upon the large amount of money they have realized for the help of the worn out preachers and their widows and orphaned children for this source.

We beg to impress upon the people the need of more general reading of books. The church, through its pastors and officials, should do everything possible to supply that need. Nothing can contribute more directly to the building of Christian character and the building of a strong and virile Methodism.

Upon the other hand we cannot condemn too strongly the vile literature which is finding its way into general circulation, spoiling the mind of young and old alike. The magazine stands in all our towns and cities are filled with these vicious publications which mock at modesty, make light of the marriage vow, and revel in salacious stories which would not have been permitted a generation ago. Both by word and picture many of them are exploiting womanhood, stirring the base passions of men of all races, thereby contributing to the further degradation of our people. The evil has become so great that the police departments in the leading cities of Florida have been compelled for the common good to organize special clean-up campaigns against this filthy literature. We call upon Methodism everywhere to join in this movement to purge the book stands of this fearful evil which is damning and destroying many of our boys and girls especially.

Respectfully submitted,

A. FRED TURNER, Chairman

MRS. R. G. ALBURY, Secretary.

*Orphanage*—The report of the Board of Trustees of the Florida Methodist Orphanage was read by R. F. Hodnett, and after a verbal report by R. H. Barnett, Orphanage Agent, was adopted. The report follows:

#### REPORT NO. 1 OF ORPHANAGE BOARD

We, your Board of Trustees of the Florida Methodist Orphanage desire to respectfully submit the following recommendations:

That Rev. R. H. Barnett be appointed financial agent.

That inasmuch as the cost of maintenance this year is \$23,760.00 and the income only \$17,470.00 making a deficit of \$6,290.00, the assessment for maintenance be fixed as \$25,000.00 for the next year, and that it be a separate item from the Conference financial budget.

That the fifth Sunday be observed as Orphanage day in all our Sunday Schools and all our churches, and collections be taken for this cause.

That all the Presiding Elders and Pastors be respectfully requested to co-operate with and assist the financial agent in collecting funds for the Orphanage.

That the sum of \$10,000.00 be raised to complete the Girls New Dormitory and the funds be raised to build a church and parsonage at the Orphanage.

Respectfully submitted,

L. P. HAGAN, Chairman

R. F. HODNETT, Secretary.

#### REPORT NO. 2 OF THE BOARD OF TRUSTEES OF THE FLORIDA METHODIST ORPHANAGE

We, your Board of Trustees of the Florida Methodist Orphanage report with joy and gratitude the excellent condition of your Orphanage.

Under the kind protecting Hand of the Father of the fatherless, and the vigilant care of Superintendent Rev. J. W. Austin, no life has been lost during the year, nor a case of illness. The general health of the children was found by inspection made by a representative of the Florida State Board of Health to be the best in the state of similiar groups of children.

God has raised up friends of the Orphanage this year as He has done before, one of whom, Mr. Eberly Baird has donated \$10,000.00 to the endowment fund for which we wish to publicly express our thanks and sincere appreciation.

We have had a year of wonderful prosperity and blessing. A modern fireproof dormitory for girls has been almost completed, the total cost of which will be \$53,466.00. The good business management of the Executive Committee made this possible as the lowest bid was \$80,000.00, but the Executive Committee has built

to cost when complete for \$53,466.00, saving \$26,534.00, and the building as it stands is valued by expert architects and contractors at One Hundred Thousand Dollars.

Five splendid substantial buildings now grace the lovely Orphanage campus, bringing the present total value to Two Hundred Thousand Dollars.

Many other good things have been done; the dairy stock has been materially increased, a fine pair of mules donated to us, table vegetables and other farm products have multiplied a hundred fold. On the whole the Orphanage is in the best general condition in its history.

Saturday before the first Sunday in December has been set apart as Work Day which we urge be observed by every Sunday School and Church in the Conference.

Rev. D. B. Sweat has consented to serve as Director of Publicity and Mrs. L. D. Childs as Treasurer of Work Day Funds.

The Orphans' Friend published by the Board and edited and managed by Rev. D. B. Sweat speaks beautifully in the interest of welfare and needs of the Orphanage, and we ask the cooperation of all Florida Methodists to help put the subscriptions to ten thousand copies.

On the refusal of Rev. J. W. Austin to allow his name to come before the Board for re-election, Mr. C. R. Shannon was unanimously elected Superintendent.

Respectfully submitted,

L. P. HAGAN, Chairman

R. F. HODNETT, Secretary.

#### NO LIABILITIES

The Orphanage Board was instructed to send an appropriate message to Mrs. L. D. Childs, who was reported to be ill in a hospital.

*Epworth League*—The report of the Epworth League Board was read by H. W. Blackburn, and adopted. The report follows:

#### REPORT OF THE EPWORTH LEAGUE BOARD.

The year 1926-7 has given evidence of the fact that the Florida State Epworth League is rapidly becoming a strong arm of the Florida Conference. It is becoming one of the most powerful organizations for the development of Christian character, and one of the most active service agencies in the church.

The effective work and consecrated service of our State League officers enables us to report 33% increase in numbers of chapters, and a 50% increase in amount of money raised for missions, which places the Florida League Conference in first place in point of per capita giving to missions. The General Secretary of the Epworth League Board said recently that the Florida State League is becoming a model and an incentive for the entire church. We are grateful to God for his blessings upon our youth, and we wish to commend them for their splendid service.

In addition to the above mentioned achievements, we wish to acknowledge the splendid work done through the "Know Methodism Contest" which was held in February, and endorse the proposed contest for the coming year. We appreciate the co-operation of our pastors and presiding elders in making Anniversary Day a success, and urge even a more wide-spread observance than was experienced last year.

The Young People's Revival, as outlined by the General Epworth League Board to be conducted under the leadership of the pastor, is hereby endorsed, and we pray that the new year will witness many conversions among our youth through this means.

The program for the League Assembly, to be held in St. Petersburg, July 4-9, has been approved by this Board, and it is hoped that it will receive the publicity in the local churches which it deserves.

We, your Board respectfully ask for a continuance of our appropriation of \$2,000 for the coming year.

Respectfully submitted,

H. W. BLACKBURN, President  
K. H. KOESTLINE, Secretary.

*District Conference Records*—The report of the Committee on District Conference Records was read by K. H. Koestline, and adopted. The report follows:

#### DISTRICT CONFERENCE RECORDS COMMITTEE

We, your committee on District Conference Records, have examined the books of every district and find that they are all neatly and correctly written. We recommend, however, that those districts which do not have a large loose-leaf notebook do secure one for the purpose of having a permanent record and to enable the District secretary to type-write the minutes of the district conferences.

Respectfully submitted,

K. H. KOESTLINE  
W. O. TROUTMAN

*Board of Finance*—Report No. 2 of the Board of Finance was read by W. A. Cooper and ordered filed. The report follows:

We beg leave to report that we have appropriated the following amounts to the superannuated preachers for the ensuing year, 1927-28. These will be paid in advance, monthly, on the first day of each month.
